Advanced Implantology

Feb. 28, Mar. 1 & 2, 2023

FACULTY

Dr Johnson Prakash Dlima
Dr Jose Paul
Dr Senny Thomas
Dr Giju George Baby
Dr Cherian KP
Dr Manu Johns

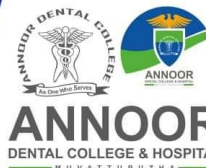

Module 1: Surgical Phase (3days)
Module 2: Prosthetic Phase (2days)

COURSE HIGHLIGHTS

1. Placement of atleast one implant by a participant (additional implants on extra payment)
2. Hands on CBCT
3. Demonstration of PRF
4. Live surgical demonstration
5. Didactic lectures
6. Hands on various impression procedures
7. Online access to international journals on implantology

Venue	Annoor Dental College & Hospital	No. of Participants	141

REPORT

State level CDE programme “ASCON2K23 Surgical Conference” was conducted at Annoor Dental College & Hospital, Muvattupuzha organized by the Department of Oral and Maxillofacial Surgery on 26.02.2023 and 26.02.2023. The Guest Speakers for the day were Prof Dr. Varghese Mani, Dean MBDC Kothamangalam, Prof. Dr. Sankar Vinod, HoD (OMFS), MBDC, Kothamangalam, Dr Pravish Vishnudas, Reader, Sree Anjaneya Institute of Dental Sciences. The CDE programme started at 9:30 am on 26.02.2023.

At 8:30 am on 26.02.23 registration for the delegates began at the reception, following which they were seated in the auditorium for the scientific sessions.

The Program officially started with a welcome address by Dr. Arun Murali, Senior Lecturer, OMFS, Annoor Dental College followed by Principal’s address by Dr. Giju George Baby and a lamp lighting ceremony and prayer. A college report was also presented for the audience. The event continued with a departmental overview and a look back at ASCON by Dr. Joji Peter, Senior Lecturer, Dept. of OMFS.

The first lecture in the morning session was on “Management of third molar impactions” by Dr Eldhose George; Professor and HOD, Dept. of Oral and maxillofacial surgery. The session was followed by tea break at 10.30 a.m. Following this the second session was preceded by the

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

Chairman's address by Adv. T. S. Rasheed that started at 11.15 am. The second session was on 'Back to basics" by Dr Pravish Vishnudas, Reader, Sree Anjaneya Institute of Dental Sciences. Lecture concluded at 1.00 p.m. The morning sessions were chaired by Moderators Prof. Dr. Sankar Vinod, HoD (OMFS), MBDC, Kothamangalam and DrVineeth Alex, HOD Dept of Oral Medicine and Radiology and D Eldhose George; Professor and HOD, Dept. of Oral and maxillofacial surgery. Session was dispersed for lunch.

The afternoon session started at 2.00 pm by Dr Paul Steaphen, Reader , Dept of oral and maxillofacial surgery; with the lecture on "Oroantral Communication & Fistula" . This session ended till 2:45 pm. Following final lecture was on "Tackling Medical Emergencies" by DrJoji Peter, Senior Lecturer, Dept of oral and maxillofacial surgery at 3.00 p.m. Each session was followed by questions from the audience as well as discussions that made the sessions interactive. The scientific sessions for the day came to an end with handing over of mementos and certificates to the speakers as well as the moderators. The lead MCs for the event was Dr. Diya Sajan and Dr. Gerald, Interns, Annoor Dental College. Vote of thanks was proposed by Dr. Anakha Ashok, Senior Lecturer, OMFS, Annoor Dental College. The program concluded for the day with national anthem and photography with the delegates. A tea break was provided.

As part of the program and to relax and rewind and better interact with the participants, a small get together and dinner was arranged at Barkaas restaurant, Muvattupuzha from 6:30 pm.

On 27.02.2023 the clinical demonstration started at 9.00 a.m by Dr Eldhose George. The HOD discussed the radiograph and demonstrated a case of third molar impaction and a cyst enucleation. Following, case discussions of their respective allotted cases were conducted with the delegates. Delegates performed procedures under the supervision of In-house Faculty. Event successfully concluded at 4.00 p.m. The event was successful due to unconditional support from other teaching staff and Non-teaching staff.

The scientific session and Hands on course was attended by over 141 delegates who included staffs, interns from surrounding colleges and General practitioners from Kerala. A total of 39 outside delegates and practitioners registered for the event. The list of the documents has been signed by the KDC observer Dr Syed Mohammed Jifry. Thank you for your whole hearted support.

REPORT OF EVENT

Name of Event: "ADVANCED NATIONAL CBCT WORKSHOP"

Date	28/04/2023 & 29/04/2023	Resource persons	DR GIJU GEORGE BABY DR VINEET ALEX DR JISS MARY DR HIMA JOHN DR JESLIN JAMES DR RENJU M KUNJUMON
Time	9:00 AM	Title	CBCT TRAINING AND HANDS ON WORKSHOP
Venue	T M SEETHY HALL	No. of Participants	29

REPORT

The National level Advanced CBCT Workshop organized by Annoor Dental College and Hospital, Muvattupuzha, in association with the Department of Oral Medicine and Radiology, proved to be a resounding success. The program, spanning two days, featured a range of enriching activities aimed at enhancing participants' knowledge and skills in the field of CBCT and digitally driven dentistry.

The workshop included hands-on sessions focused on software navigation, familiarization with different software, advanced implant planning using CBCT, endodontic evaluation, TMJ & airway analysis, as well as reporting patterns and extracting & importing DICOM files. These practical sessions were preceded by a lecture on "Digitally Driven Dentistry" by Prof. Dr. Giju George Baby, the Principal of Annoor Dental College and Hospital. Additionally, a comprehensive hands-on-oriented lecture was delivered by Dr. Jiss Mary, a Reader at the institution.

The effective execution of hands-on sessions was made possible by the expertise of the faculty members, including Dr. Vineet Alex Daniel (HOD), Dr. Hima John (Reader), Dr. Jiss Mary (Reader), Dr. Renju Kunjumon (Senior Lecturer), and Dr. Jeslin James (Senior Lecturer). Their dedication and proficiency ensured that participants gained valuable insights and practical skills during the workshop.

ANNOOR DENTAL COLLEGE & HOSPITAL

The program received an overwhelming response from the participants, who greatly benefited from the content covered. The workshop successfully achieved its objectives, providing a platform for dental professionals to enhance their proficiency in CBCT and digitally driven dentistry. The positive feedback from participants serves as a testament to the program's effectiveness and the commitment of Annoor Dental College and Hospital to advancing dental education and practice.

REPORT OF EVENT

Name of Event: ADD ON PROGRAM

Report of event			
Date	26-09-2023	Resource person	Dr. ASHWIN RAO
Time	12noon-1pm	Title	Tips and tricks in pediatric LA
Venue	College Auditorium	No. of Participants	129

REPORT

The Add-on program conducted by the Department of Pediatric & Preventive Dentistry on "Tips & Tricks in Pediatric LA" on September 26, 2023, at T.M Seethy Hall, proved to be an informative and enriching session. The program, which ran from 12 noon to 1 pm, featured Prof. Dr. Ashwin Rao, Professor and HOD of the Department of Pediatric and Preventive Dentistry at Manipal College of Dental Sciences, Mangalore, as the esteemed resource person.

The session was skillfully moderated by Dr. Mohammed J. Farzan, Professor and HOD of the Department of Pediatric and Preventive Dentistry at Meenakshi Ammal Dental College and Hospital, Chennai, along with the guidance of Dr. Eldhose K.G, Professor and HOD of the Department of Oral and Maxillofacial Surgery at Annoor Dental College and Hospital.

Approximately 129 students and staff actively participated in the program, benefiting from the wealth of knowledge shared by Prof. Dr. Ashwin Rao. The focus on "Tips & Tricks in Pediatric LA" provided practical insights and strategies for effective local anesthesia administration in pediatric dentistry.

The program successfully achieved its objectives, including:

Enhanced Skill Development: Participants gained valuable insights into practical tips and tricks for administering local anesthesia in pediatric dentistry, contributing to their skill development.

Expert Guidance: The session, facilitated by Prof. Dr. Ashwin Rao and moderated by experienced professionals in the field, provided participants with expert guidance and a deeper understanding of pediatric local anesthesia techniques.

Networking Opportunities: The program created a platform for students and staff to interact with renowned experts and peers, fostering networking opportunities within the dental community.

Knowledge Transfer: Prof. Dr. Ashwin Rao's expertise and insights were effectively transferred to the participants, contributing to their understanding of best practices in pediatric local anesthesia.

Positive Impact: The program left a positive impact on the participants, equipping them with valuable tools and techniques to enhance their pediatric dentistry practices.

The Add-on program on "Tips & Tricks in Pediatric LA" was a commendable initiative that successfully provided a platform for knowledge exchange, skill enhancement, and professional

Venue	TM Seethy Hall	No. of Participants	Day 1- 85 Day 2- 117
REPORT			
<u>Day 1- “The Royal Journey”- An orientation & route map towards MOrth RCS</u>			
<p>The program began with an inaugural function starting off with a silent prayer followed by the College report display and Annoor Anthem.</p> <p>This was followed by the welcome speech by the Prof. and Head Dr. Gopikrishnan. S.</p> <p>The lamp lighting ceremony followed the welcome speech.</p> <p>The gathering was addressed by the Administrative Chairman Adv. T.S. Rasheed followed by the Principal DrGiju George Baby.</p> <p>Dr. Monisha J, Senior Lecturer, Department of Orthodontics introduced the speaker for the day Dr. MukundanVijayan, who is one of the sort-after speakers on topics pertaining to MOrth examination.</p> <p>The session began with a talk on “The need for Certification & the salient points and Exam sections” where he detailed the importance of pursuing the Membership in Orthodontics (MOrth) and the exam pattern.</p>			

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

This was followed by the **“Orientation class on Important topics for exams and OSCE pattern”** and **“Differences between Glasgow & Edinburgh exam patterns”** where he outlined the must-to-read topics and the different study materials. The similarities and differences in different exam patterns were discussed.

The first post-lunch session was **“Presentation of two cases in the exam pattern”** where he displayed two of his cases prepared and presented for the MOrth examination. The tips and tricks of case presentation were discussed.

The last session for the day was **“Mock exam of one diagnostic case”** where few cases were displayed and the possible questions on the diagnosis and treatment planning of the cases were discussed in detail.

The program came to an end with a valedictory function during which Dr. Gopikrishnan and Dr. Pradeep Philip George awarded Dr. MukundanVijayan with a memento and certificate as a token of appreciation.

Day 2- Master class on TADs- OBS- SAS

The program began with an inaugural function starting off with a silent prayer followed by the College report display and Annoor Anthem.

This was followed by the welcome address by the Prof. and Head Dr. Gopikrishnan. S.

Subsequently, the gathering was addressed by Mr. T.S. Binyamine followed by the Principal DrGiju George Baby.

The speakers for the day were **Dr. Abhisek Ghosh** and **Dr. AdithVenugopal**, both of whom are pioneers in skeletal anchorage system. They were introduced by Dr. Jiss George and Dr. Jeslin, Senior Lecturer and Reader respectively from the Department of Oral Medicine & Radiology.

The session began with a talk on **“Treatment of Complicated cases with TADs (vertical occlusal cant correction)”** by Dr. AdithVenugopal where he explained the different techniques in treating vertical discrepancy cases and the biomechanics associated with it.

This was followed by a session on **“Treatment of Complicated cases with TADs (vertical problems- Gummy smile)”** by Dr. Abhisek Ghosh. He showcased an array of complex cases with vertical discrepancies treated using skeletal anchorage system.

The forenoon session ended with the Department of Orthodontics Logo release as well as the Annoor Orthodontics Alumini Inception.

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

The post-lunch session began with a talk on **“Orthodontic Re-treatment and Treatment of Borderline Surgical cases with Orthodontic Camouflage”** by Dr. Abhisek Ghosh. The possibilities of treating borderline surgical cases non-surgically as well as successful treatment of relapse cases using skeletal anchorage system were explained.

The last session for the day was by Dr. AdithVenugopal where he showed the management of Class III cases using Buccal Shelf Screws. The various iatrogenic side effects of skeletal anchorage system and the means of managing the same were also spoken about.

The program came to an end with a valedictory function during which Dr. Gopikrishnan and Dr. Pradeep Philip George awarded the speakers with a memento and certificate as a token of appreciation.

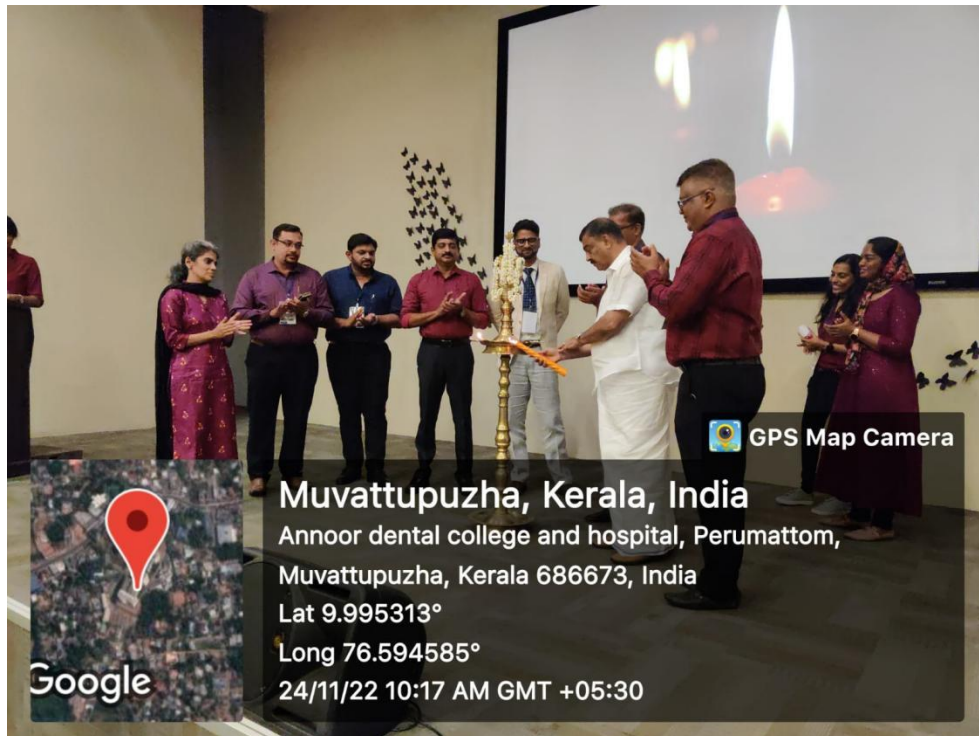

The program concluded with a vote of thanks by Dr. Pradeep Philip George, Professor, Department of Orthodontics.
