and felicitation speech was delivered by Dr. Pooja Latti, Professor and Head, Dept. of Public Health Dentistry and by Dr. Joji Peter, Senior Lecturer, Dept. of Oral and Maxillofacial Surgery. The camp was coordinated by Mr. Gopalan who was the community leader and also the ASHA worker Ms. Manju, of the tribal area. Three camps were conducted at the 3 colonies located at Vachumaram, Anakayam and Thavalakuzhi Para. The dental teams visited all the three colonies and screened the patients. Treatment was provided at Vachumaram colony where the mobile dental unit was located. Patients from other 2 camp sites were referred to Vachumaram for treatments.

The following programs were organized at the camp site:

- Dental screening of the patients
- Oral hygiene awareness
- Clothes donation
- Distribution of oral hygiene aids, first aid kit and medicines
- Dental treatments – scaling, restorations

The camp winded up by 2.00 pm. A total of 52 patients benefitted from the camp and the camp was well appreciated by the resident ASHA worker and forest officers. The camp provided opportunity to the interns to cater to the tribal people's dental needs and learn about the various cultural and social factors that play a role in oral health. We reached back to the college by 6.30 pm.

A Dental Screening and Treatment camp was held at Government Vocational Higher Secondary School, Peruva, Kottayam on October 27, 2023. It was organized by Department of Public Health Dentistry, Annoor Dental College and Hospital in association with the National Service Scheme Unit, Government VHSS, Peruva, Kottayam to improve the dental health of school going children. The camp was inaugurated by the Principal of Government Vocational Higher Secondary School, Peruva- Mrs. Sheeba P Paul, followed by the melodious rendition of the NSS prayer song by the dedicated NSS volunteers and a welcome speech delivered by the NSS coordinators. Health Education speech was given by Dr. Navami Ashok, Senior Lecturer, Department of Public Health Dentistry. The dental team consisted of 14 members who included staffs, final year part 1 students, third year students and supporting staff. The following events were conducted at the camp:

- Oral screening was performed on 137 students.
- Treatment was rendered to 11 patients in the treatment van.
- Awareness class was taken on maintenance of oral health.

The camp was held from 09:30 am to 2:00pm. All patients were provided with a referral card for availing further treatment in the dental college. The dental camp was a resounding success and received heartfelt appreciation from the school community.
