## REPORT OF EVENT

### Observance of Mahatma Gandhi Jayanthi and Swachhata Hi Seva Mission

<b>Logo</b>		<b>Annoor Dental College &amp; Hospital, Muvattupuzha</b>	
<b>Report of event</b>			
<b>Date</b>	30/9/2023		
<b>Time</b>	10:00 am	<b>Title</b>	<b>Environmental sustainability</b>
<b>Venue</b>	College Campus	<b>No. of Participants</b>	85
<b>REPORT</b>			
<p>The event aimed to commemorate Mahatma Gandhi Jayanthi, paying tribute to his legacy of non-violence and his commitment to cleanliness and environmental consciousness. In collaboration with the Department of Physical Education, our college actively participated in the Swachhata Hi Seva Mission initiated by the Government of India. The main objectives were to promote cleanliness within the campus and plant trees to contribute to environmental conservation.</p> <p>The event saw the enthusiastic participation of students from the 1st and 2nd years, as well as dedicated faculty members. Adv TS Rasheed, Chairman Administration graced the occasion with his presence.</p> <p><b>Activities:</b></p> <p><b>Tree Plantation:</b> ADV TS Rasheed inaugurated the tree-planting ceremony by planting the first sapling. Following his lead, Chief operating Officer, Mr Biju K Joseph, students, and faculty members planted a diverse range of tree species within the college campus. The tree plantation aimed to underline the importance of preserving the environment and contributing to green initiatives.</p> <p><b>Cleanliness Drive:</b> In alignment with the Swachhata Hi Seva Mission, a cleanliness drive was</p>

organized within the campus. Students and faculty members actively engaged in the collection and disposal of litter, ensuring that the college premises remained clean and tidy.

## **Outcomes:**

A variety of trees were successfully planted within the campus, promoting environmental sustainability.

The cleanliness drive resulted in a significant reduction in litter within the college premises.

Students actively participated in both activities, imbibing the values of environmental conservation and cleanliness.

The event reinforced the importance of Mahatma Gandhi's principles and his legacy in our daily lives.

## Circular

मनोज जोशी  
सचिव  
Manoj Joshi  
Secretary

भारत सरकार  
आवासन और शहरी कार्य मंत्रालय  
निर्मण भवन, नई दिल्ली-110011  
Government of India  
Ministry of Housing and Urban Affairs  
Nirman Bhawan, New Delhi-110011

2/8/2019-SBM IV  
Date: 22<sup>nd</sup> September, 2023

Dear Secretary,

As part of Swachhata Pakhwada - Swachhata Hi Seva (SHS) 2023, a massive cleanliness drive led by people is envisaged to be held on 1<sup>st</sup> Oct '23, at 10.00 am across the country as a tribute to Mahatma Gandhi on the eve of his birth anniversary on 2<sup>nd</sup> Oct '23. Hon'ble Prime Minister and other dignitaries would also be joining the swachhata activities on ground.

2. For this, the following urgent actions are needed:

- Ministries to identify their field units that will execute cleanliness events on 1<sup>st</sup> Oct '23.
- Each field unit will be required to identify a site either in rural or urban areas where cleanliness activities will be undertaken with public participation. Site must be selected with care so as to have improved cleanliness post the activity.
- The Ministry should either enter the details of the site and events by itself on the portal 'Swachhata Hi Seva' (<https://swachhatahiseva.com/>) or enable the field unit to have login credentials to enter the details directly on the website. Once the events are created, the field units should widely publicise through local communication platforms.
- All these created events will be available on a map which citizens can view and choose the event they want to join by going through the options that will be available on the portal.
- On 1st Oct, the organizing field unit must ensure that actual cleaning activity takes place at 10 am with the volunteers contributing at least one hour of shramdaan resulting in visible cleanliness.

3. To facilitate the process, an online preparatory meeting is being scheduled on 23<sup>rd</sup> Sept at 2.30 pm with all Ministries (link is being shared). It is requested to depute Nodal officers along with their teams to attend the same. A demonstration of the portal will be provided during meeting. In addition, a dedicated handholding support for Ministries is being organised on 25<sup>th</sup> Sept, 11 am onwards. A brief note on the key aspects for 1<sup>st</sup> Oct '23 is enclosed for your kind information and necessary action.

Office Address: Room No. 122 'C' Wing, Nirman Bhawan, New Delhi-110011  
Tel.: 011-23062377, 23061179; Fax: 011-23061459; Email: secyurban@nic.in  
Website: www.mohua.gov.in

4. You are requested to review the final preparedness by 26<sup>th</sup> Sept '23 for the entire Ministry for the mega cleanliness drive to be held on 1st Oct '23.  
Looking forward to your cooperation.

Yours Sincerely,

## REPORT OF EVENT

### Awareness on Cybercrime

<b>Logo</b>		<b>Annoor Dental College &amp; Hospital, Muvattupuzha</b>	
<b>Report of event</b>			
<b>Date</b>	22/6/2023	<b>Resource persons</b>	Mr. Ajesh K P
<b>Time</b>	12:00 pm – 2:00 pm	<b>Title</b>	<b>Awareness on Cybercrime</b>
<b>Venue</b>	TM Seethy Hall	<b>No. of Participants</b>	29 faculty + 80 Students
<b>REPORT</b>			
<p>On June 22, 2023, Annoor Dental College &amp; Hospital, in association with the local police authorities, organized an awareness program on cybercrime. The event aimed to educate and empower the 1st Year and 2nd Year BDS students with essential knowledge about cyber threats, online security, and digital safety. The event was made possible with the support and expertise of Mr. Ajesh KP, a Kerala Police Janamytri Trainer, EKSATH initiative of the Government of Kerala's Central Region.</p> <p>The event was specifically designed to equip the dental students with the knowledge and skills needed to protect themselves and their future dental practices from the growing threat of cybercrime. The collaboration between Annoor Dental College and the local police was instrumental in creating a safe and secure online environment for the students and the dental community at large.</p> <p>The event began with a formal inauguration ceremony, attended by member of Management: Adv T.S Rasheed, Principal, Vice Principal, faculty members &amp; Students. Welcome address was given by Dr, Josey Mathew, HOD, Dept of Conservative Dentistry. Mr. Ajesh KP conveyed the importance of understanding cyber threats in the context of a dental profession increasingly</p>

reliant on digital technology. He also discussed on the practical measures for ensuring digital security, such as strong password management, safe online behavior, and regular software updates. These insights were particularly relevant for the students as they embark on their dental careers.

An interactive session followed the presentation, allowing students to ask questions, seek advice, and share their concerns about cybersecurity. This session enabled students to engage with the expert and receive personalized guidance.

The program was concluded by the honoring the Guest speaker by the members of the Management & Principal, Vice Principal & Students Dean. The partnership between academia and law enforcement in addressing cybercrime highlighted the commitment to creating a secure environment for dental practitioners. It is expected that the knowledge gained from this event will help prevent cyber threats, ensuring the integrity and confidentiality of patient data as these budding dental professionals progress in their careers.

## REPORT OF EVENT

### Tobacco Cessation'23

<b>Date</b>	5/6/2023	<b>Resource persons</b>	Dr. Rita Caroline Issac Dr. Moni Kuriakose
<b>Time</b>	10:00 am – 4:00 pm	<b>Title</b>	<b>Why &amp; How Tobacco cessation in Dental Clinics?</b>
<b>Venue</b>	TM Seethy Hall	<b>No. of Participants</b>	130

#### REPORT

The seminar on tobacco cessation in dental clinics was held on 5.6.23, with the aim of shedding light on the critical role of dental professionals in helping patients quit tobacco use organized by the Departments of Oral Pathology, Oral Medicine & Public Health Dentistry. The event featured two prominent speakers, Dr. Moni Kuriakose, who discussed the 'Why' behind tobacco cessation in dental clinics, and Dr. Rita Caroline, who provided insights into 'How' to conduct effective tobacco cessation counseling.

#### **Session 1: Dr. Moni Kuriakose on 'Why Tobacco Cessation in Dental Clinics':**

Dr. Moni Kuriakose, an esteemed dental practitioner and expert in oral health, opened the seminar with a compelling presentation on the importance of integrating tobacco cessation into dental practice. He highlighted several key reasons:

**Oral Health Impact:** Dr. Kuriakose emphasized how tobacco use is a major risk factor for oral health issues, including gum disease, tooth loss, and oral cancers. Dental professionals are at the forefront of identifying these problems early.

**Enhanced Treatment Outcomes:** He explained how quitting tobacco before dental procedures can significantly improve treatment outcomes, reduce complications, and speed up healing.

**Patient Trust:** Dr. Kuriakose stressed that patients trust their dental practitioners and are more likely to heed their advice on quitting tobacco, making dental clinics an ideal setting for intervention.

# ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,  
Affiliated to Kerala University of Health Sciences  
& Recognized by Govt. of India

Overall Health: The link between tobacco use and systemic health issues was discussed, highlighting that dental professionals can contribute to holistic patient well-being.

## **Session 2:** Dr. Rita Caroline on 'Tobacco Cessation Counseling - How to Do?':

Dr. Rita Caroline, a renowned expert in tobacco cessation counseling, provided practical guidance on conducting effective counseling sessions in dental clinics:

She stressed the importance of assessing the patient's tobacco use history, readiness to quit, and nicotine dependence to tailor counseling strategies. Dr. Caroline introduced motivational interviewing techniques to elicit the patient's own motivations and reasons for quitting. She also discussed various behavioral strategies, such as setting quit dates, managing cravings, and coping with triggers.

The role of pharmacotherapy and how dental practitioners can work in collaboration with other healthcare providers was also touched upon.

## **Post-Lunch Session: Counseling for Patients:**

Following the informative sessions by the speakers, a hands-on post-lunch session was conducted, where five patients were counseled for tobacco cessation. This practical application allowed dental practitioners to practice the techniques discussed earlier.

The inauguration of OPMD clinic for screening of potentially malignant disorders were done by Dr Moni Kuriakose.

The seminar on tobacco cessation in dental clinics, featuring Dr. Moni Kuriakose and Dr. Rita Caroline as speakers, was a resounding success. It underscored the pivotal role of dental professionals in advocating for tobacco cessation and equipped them with the knowledge and skills to assist patients in quitting tobacco use. The post-lunch counseling session demonstrated a commitment to immediate implementation, as five patients received personalized cessation counseling, emphasizing the clinic's dedication to promoting oral and overall health among its patient community. This event marked a significant step towards a tobacco-free and healthier

## REPORT OF EVENT

### TITLE OF EVENT: SOCIAL ACTIVITIES: BLOOD DONATION

<b>Title</b>	<b>KOODE: BLOOD DONATION CAMPAIGN</b>		
<b>Date</b>	3 <sup>rd</sup> June 2023	<b>Time</b>	9 :30 AM
<b>Venue</b>	Lecture hall 4	<b>No. of Participants</b>	50

#### REPORT

On the occasion of World Blood Donor's Day, a significant event unfolded at Annoor College on June 3, 2023. The college, in collaboration with the Indian Medical Association (IMA) Thodupuzha and MCS Hospital Muvattupuzha, organized a blood donation camp at the college's lecture hall. The event aimed to raise awareness about the importance of voluntary blood donation and contribute to the noble cause of saving lives. The collaboration between Meliora, IMA Thodupuzha, and MCS Hospital Muvattupuzha played a pivotal role in the success of the blood donation camp. Their joint efforts ensured the smooth execution of the event, from organizing logistics to providing medical support.

Participation in the blood donation camp was commendable. Not only did the students of Annoor College actively engage, but also the dedicated staff of both Annoor College and MCS Hospital Muvattupuzha. This collective effort demonstrated a strong sense of community and responsibility towards the well-being of society.

In total, 50 students and 10 staff members generously volunteered to donate blood, making the event a resounding success. The selfless act of donating blood reflects the spirit of empathy and altruism that is essential for the betterment of society.

After the blood donation process, all donors were provided with refreshments, including snacks and juice. This thoughtful gesture not only aimed to replenish the donors' energy but also served as a token of appreciation for their invaluable contribution to the cause.

The atmosphere in the lecture hall was one of unity and compassion. The donors shared a sense of pride and fulfillment, knowing that their small act could potentially make a significant difference in someone's life. The event not only served a medical purpose but also fostered a sense of community and shared responsibility among the participants.

The success of the blood donation camp can be attributed to the collaborative efforts of Meliora, IMA Thodupuzha, and MCS Hospital Muvattupuzha, along with the enthusiastic participation of the students and staff of Annoor College. This event not only contributed to

## REPORT – COMMUNITY SERVICE

Clothes Donation Campaign			
<b>No. of Participants</b>	35	<b>Date</b>	2/6/2023
REPORT			
<p>The students of the 2018 batch conducted a heartwarming donation campaign on June 2, 2023, with the noble intention of collecting reusable clothes for those in need. This act of kindness reflects the strong sense of community and compassion that these students possess.</p> <p>Their initiative resulted in the collection of over 300 clothes, which is a remarkable achievement. These clothes were not just any garments; they were a symbol of warmth, care, and hope for those who would receive them.</p> <p>The beneficiaries of this generous donation were the inmates of Bethlehem Abhayabhavan Koovapady, Perumbavoor. This institution likely serves as a home and support system for individuals who are in challenging circumstances, such as the elderly, homeless, or disadvantaged. Donating clothes to such an organization can have a profound impact on the lives of its residents, providing them with essential clothing and, more importantly, a sense of dignity and belonging.</p> <p>The fact that the donation was received by the founder of Abhayabhavan, Smt. Mary Esthappan, adds a personal touch to this act of goodwill. Such initiatives not only meet immediate material needs but also foster a sense of empathy and community among the students. They are actively participating in making the world a better place by reaching out to those less fortunate. The impact of this event will undoubtedly resonate with both the students and the recipients for a long time, serving as a reminder of the power of kindness and collective action.</p> <p>The donation campaign reflects the potential for positive change when individuals come together to help those in need.</p>

## REPORT OF EVENT

### TITLE OF EVENT: WORLD NO TOBACCO DAY CAMPAIGN

<b>Date</b>	31.05.2023	<b>Resource persons</b>	Dr. Pooja Latti Dr. Navami Ashok Dr. Amal Saji
<b>Time</b>	9 a.m. to 12 p.m.	<b>Title of event</b>	<b>WORLD NO TOBACCO DAY CAMPAIGN</b>
<b>Venue</b>	Kochi Metro Rail stations- Edapally and Vytilla	<b>No. of Participants</b>	38

### REPORT

World No Tobacco Day is observed every year on 31st of May to create awareness among the public regarding the dangers of tobacco usage on health. In this regard, the Department of Public Health Dentistry, Annoor Dental College and Hospital, Muvattupuzha, in association with the Kochi Metro Rail Ltd., organized an innovative awareness program on 31st of May 2023. The mega awareness program was organized at two of the busiest metro rail stations in Kochi, i.e., Vytilla and Edapally between 9am to 12am to reach out to the general public. The program consisted of: An introductory flash mob followed by an innovative fashion show on the theme "Harmful and dangerous effects of Tobacco" namely Cancer, Infertility, Blindness Lung and Heart diseases, performed by the undergraduate BDS students, through costumes, and verbal explanations along with an exhibition of placards and posters.

An awareness talk was also delivered by the team of dentists from the Dept. Of Public Health Dentistry. This was followed by a 'Signature Campaign' in which members of the public took a pledge to quit tobacco by putting their signatures on the campaign board.

All the above set of programs was performed twice at both the metro rail stations ie Vytilla and Edapally.

356 commuters signed on the signature board in support of our campaign. Overall there was

tremendous response from the crowd and appreciated the innovation to bring attention of the general public. Joseph Annamkutty Joseph, Malayalam actor and social media influencer, who was among the crowd posted our campaign on his official page. The event also had good media coverage as this event was covered by Manorama, Mangalam, 24 news, ACV and Jeevan news channels and newspapers.

## TITLE OF EVENT: ORAL HYGIENE AWARENESS TALK AND SCREENING CAMP

<b>Date</b>	20/03/2023	<b>Resource persons</b>	Dr. Navami Ashok
<b>Time</b>	9.00 am	<b>Title of event</b>	<b>Oral Hygiene Awareness Talk and Screening camp</b>
<b>Venue</b>	Sacred Heart College, Chalakudy	<b>No. of Participants</b>	300

### REPORT

An oral hygiene awareness class was conducted for the students and teaching staff of Sacred Heart College, Chalakudy on account of Oral Health Day. The program was conducted in association with Indian Dental Association, Chalakudy branch. There were around 250 students and 50 staff members to attend the program. Awareness class was taken by Dr. Navami Ashok, Senior Lecturer, Department of Public Health Dentistry, Annoor Dental College and Hospital. The talk covered the following topics:

- Oral health and general health
- Importance of maintaining oral health
- Common oral health problems and their prevention
- Deleterious oral habits
- Brushing and flossing techniques with demonstration using model

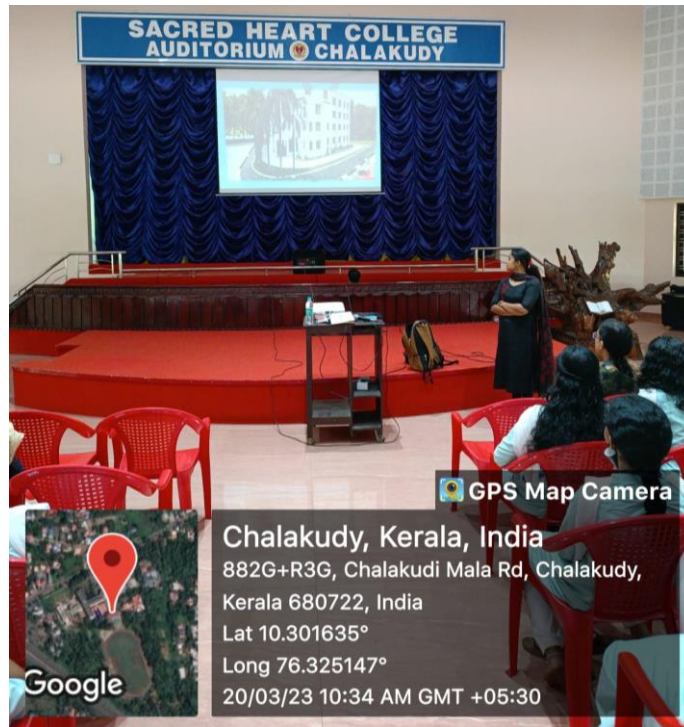

The awareness class was followed by screening camp wherein all the students and staff were screened for oral diseases. Medicines and toothpastes were distributed free of cost. Overall the program was accepted well by the students and we received excellent feedback from the Principal and teaching staff of the college.

## REPORT OF EVENT

### TITLE OF EVENT: SOCIAL ACTIVITIES: CLOTH DISTRIBUTION

<b>Title</b>	<b>KOODE: CLOTH DISTRIBUTION CAMPAIGN</b>		
<b>Date</b>	5 <sup>TH</sup> March 2023	<b>Time</b>	9 :30 AM
<b>Venue</b>	Vachumala Tribal Colony	<b>No. of Participants</b>	47

#### REPORT

In a collaborative effort between the Department of Public Health Dentistry and the Indian Dental Association (IDA) Chalakkudy, a significant initiative was undertaken on March 5, 2023, at the Vachumala Tribal Colony. The project aimed to address not only the basic need for clothing but also to contribute to the oral health of the tribal community residing in the colony.

#### Cloth Distribution:

A central aspect of the initiative was the distribution of clothing to the tribal residents of Vachumala. The distribution process was meticulously organized, and special attention was given to the quality and cleanliness of the clothes. Prior to distribution, used clothes were collected, washed, ironed, and neatly packed, ensuring that the recipients received items that were not only functional but also presented with dignity and care.

The meticulous preparation of the clothes for distribution reflects the commitment to treating the recipients with respect and dignity, acknowledging their right to receive items in a condition that preserves their self-esteem.

#### Oral Health Check:

In conjunction with the cloth distribution, an essential component of the initiative was the provision of oral health checks for the residents of the Vachumala Tribal Colony. A team of dental professionals from the Department of Public Health Dentistry and IDA Chalakkudy conducted thorough oral health examinations for the community members.

The oral health check not only aimed to identify any existing dental issues but also served as an opportunity to educate the residents about maintaining good oral hygiene practices. Information about proper brushing techniques, the importance of regular dental check-ups, and dietary habits that contribute to oral health was shared with the community.

#### Community Impact:

The combined effort of cloth distribution and oral health checks left a positive impact on the Vachumala Tribal Colony. The initiative went beyond meeting immediate needs, extending to

empower the community with knowledge about oral health, an often-neglected aspect of overall well-being.

This collaborative effort between the Department of Public Health Dentistry, IDA Chalakkudy, and the generous contribution of used clothes from various sources exemplifies the potential for positive change when different sectors of society come together for a common cause..

### OMFS DAY 2023 – Bike Rally

<b>Date</b>	21.02.23	<b>Resource persons</b>	Chief Guests: Prof. Dr. Sankar Vinod, HoD (OMFS), Mar Besolios Dental College Mr. Vishnu Raj, Sub Inspector of Kerala Police, Muvattupuzha
<b>Time</b>	9:00 am – 12:00 pm	<b>Title</b>	In-House Faculty: Dr. Eldhose George Dr Paul Steaphen Dr. Joji Peter Dr. Arun Murali Dr. Anakha Ashok Dr. Sumary Abraham
<b>Venue</b>	Annoor Dental College & Hospital Courtyard and Muvattupuzha Transport/ Taxi stand, Muvattupuzha till Mannoor	<b>No. of Participants</b>	<b>OMFS Day Celebration</b>  200

#### REPORT

OMFS Day Celebration was conducted at Annoor Dental College & Hospital, Muvattupuzha organized by the Department of Oral and Maxillofacial Surgery on 21.02.2023 . The chief guests for the day were Prof. **Dr. Sankar Vinod, HoD (OMFS), Mar Besolios Dental College** **Mr. Vishnu Raj, Sub Inspector of Kerala Police, Muvattupuzha**. The programme commenced at 9 am in the courtyard of Annoor Dental College & Hospital.

All the faculty members including the administrative dignitaries & students gathered at the venue. The Program began with a welcome speech by Head of the Department of OMFS Dr. Eldhose George. The chief guest for the day Prof. Dr. Sankar Vinod also enlightened the gathering with his wise words. The chief guests as well as the Principal Dr. Jiju George Baby, administrative personnel Chairman Adv. T.S. Rasheed & Mr. T. S. Binyamine, Vice Principal Dr. Liza George and Student's Dean Dr. Jose Paul were felicitated with flowers. Following the audience address by the chief guest, cash prize and certificates were distributed to the student winners of various competitions held as a week long program in lieu of the celebrations for OMFS day. Also a lucky draw was conducted for all the bike riders and the winner was awarded a helmet. As part of entertainment, a flashmob was performed by the students of first year. Vote of Thanks was proposed by Dr. Arun Murali, Senior Lecturer,

## Department of Oral & Maxillofacial Surgery.

Following this, the bike rally was officially flagged off by The Chairman Adv. T.S. Rasheed. A total of 65 participants including students and staff took part in the rally. The Rally was conducted through Muvattupuzha town with multiple pit stops at various transport/taxi stands to create awareness about oral & maxillofacial surgery. The rally was lead in the front by the police van and an announcement van which was followed by the bikes.

At the Transport bus stand, Muvattupuzha, First Aid Kits were distributed to auto drivers and taxi drivers. Following which the bike rally continued till Mannoor and then back to college. After the finish of the bike rally, a cake cutting ceremony was organized by the department of OMFS as part of the celebrations. The principal and the administrative dignitaries along with the surgeons took part in the cake cutting. The morning celebrations came to an end by distribution of tea and snacks to all the participants—faculty & students.

The OMFS day ended with an exemplary zoom talk at 7:30 pm by Head of the Department Dr. Eldhose George. The topic of the zoom talk was adhering to the theme of this year’s OMFS day— “Golden hour in trauma & Panfacial fractures”. The welcome address for the talk was by Dr. Paul Steaphen, Reader, OMFS and the moderator for the talk was Dr. Soumi Samuel, Professor, A.B. Shetty Dental College, Mangalore. 182 participants logged in to the zoom talk. The Vote of Thanks was proposed by Dr. Anakha Ashok, Senior Lecturer, Department of Oral & Maxillofacial Surgery.

### REPORT

In a heartwarming display of compassion and community engagement, the Department of Oral Pathology at Annoor Dental College & Hospital in Muvattupuzha, in collaboration with the Student Council, organized a visit to Providence Home. This institution, dedicated to caring for specially disabled individuals, welcomed the initiative with open arms. On the 10th of January 2023, a team comprising 10 staff members and 10 students from Annoor Dental College embarked on a mission to spend quality time with the residents of Providence Home.

The visit was not merely about fulfilling a charitable obligation; it was a profound gesture of solidarity and empathy towards those facing physical and cognitive challenges. Upon arrival, the team was greeted warmly by the residents, whose faces lit up with joy at the prospect of companionship and interaction. Over the course of a few hours, meaningful connections were forged as conversations flowed and bonds of friendship were established.

To enhance the residents' experience and bring a sense of joy to their lives, a variety of cultural programs were organized. These programs, carefully curated by the visiting team, included music,

dance, skits, and other forms of entertainment tailored to the preferences and abilities of the residents. Laughter echoed through the halls as everyone participated enthusiastically, creating moments of pure happiness and camaraderie.

Additionally, as a practical demonstration of solidarity and support, the team facilitated a donation drive. A total of 15 bed sheets were generously contributed by both staff and students of Annoor Dental College, symbolizing their commitment to improving the quality of life for the residents of Providence Home. This collective effort underscored the ethos of giving back to society and reaffirmed the belief in the power of collective action to effect positive change.

## REPORT OF EVENT

### Name of Event: SOCIAL ACTIVITIES

<b>Date</b>	ALL DAYS EXCEPT SUNDAYS		
<b>Time</b>	10 AM	<b>Title</b>	<b>KOODE – Food Distribution</b>
<b>Venue</b>	Kacherithazham – Food Box	<b>No. of Participants</b>	41

### REPORT

Meliora, inspired by a spirit of altruism, embarked on a philanthropic endeavor by establishing a charity club aimed at addressing the pressing issue of hunger in the community. Collaborating with the Snehaveed Charitable and Educational Trust in Muvattupuzha, the club initiated a daily food distribution program to provide sustenance to the less fortunate. This partnership enabled the pooling of resources and expertise to maximize the impact of their efforts.

Central to their initiative was the establishment of a food distribution system wherein a minimum of five packets of freshly cooked meals from the canteen were deposited daily into a designated food box located at Kacherithazham. These meals, carefully prepared to meet nutritional standards, were specifically tailored to cater to the dietary needs of the impoverished and needy individuals within the community. This ensured that essential sustenance, particularly breakfast, was accessible to those who might otherwise go without.

A significant aspect of the charity club's operation was the active involvement of interns in the distribution process. Rotating on a turnwise basis, all interns participated in the distribution of food, thereby fostering a sense of shared responsibility and community engagement among them. This hands-on approach not only facilitated the efficient allocation of resources but also provided interns with firsthand experience in serving their community and addressing social challenges.

Through their concerted efforts, the charity club, in collaboration with Snehaveed Charitable and Educational Trust, exemplified the power of collective action in making a tangible difference in the lives of the underprivileged. Their commitment to alleviating hunger underscored the importance of compassion, solidarity, and proactive engagement in tackling social inequities. As they continued to extend a helping hand to those in need, their endeavors served as a beacon of hope and solidarity, embodying the ideals of empathy and humanitarianism.

## REPORT OF EVENT

**Name of Event: SOCIAL ACTIVITIES – First Aid distribution**

<b>Date</b>	02/10/22		
<b>Time</b>	-	<b>Title</b>	KOODE
<b>Venue</b>	Front gate of college	<b>No. of Participants</b>	41

### REPORT

On 02/10/22, a pioneering initiative was undertaken by the interns of Batch 2017-18 at Annoor Dental College to provide first aid treatments and support services for pilgrims who walked from Kolenchery to Kothamangalam as part of the Kanni 20 Perunnal. This endeavor marked a significant milestone for the institution, as it was the first of its kind.

The first aid station was strategically set up in front of the college gate, operating from 8:00 AM to 6:00 PM to cater to the pilgrims' needs throughout the day. Services Provided included First Aid Treatments

A team of trained interns was present to administer immediate first aid treatments for pilgrims facing any health-related issues during their pilgrimage walk. Common ailments such as blisters, minor injuries, and fatigue were addressed promptly. Interns conducted basic health screenings and provided recommendations for further medical attention if necessary. Band-Aids and other essential first aid supplies were distributed to address minor injuries and wounds.

Water stations were set up to ensure pilgrims remained hydrated throughout their journey. A designated rest area was established for pilgrims to take a break, relax, and recharge. Volunteers were available to assist with any additional requirements the pilgrims might have had.

The initiative successfully served approximately 200 pilgrims during the Kanni 20 Perunnal pilgrimage walk. The institution's interns, with their dedication and commitment, played a

4.	Aishwarya Krishnan K
5.	Aiswarya Raj
6.	Alida Mathew
7.	Amina Farhana
8.	Anitta Mary John
9.	ArdraSajimon
10.	Arsha Prasad
11.	Athul T P
12.	Devu S
13.	E. R Roshna
14.	FidaMymoona
15.	HananFarhath
16.	Jahnavi Sanjay
17.	Jijila Rose
18.	Mubashira A
19.	Parvathy Raj G
20.	RinuShajan
21.	RiswanaMuhammed P
22.	Sangeeth Sunil
23.	Sarangi R Varma
24.	Savad
25.	SinchuSanthosh
26.	Sreelakshmi V A
27.	SuhymaFyrus S
28.	Vindhuja V
29.	SamyaNour
30.	NidaaNizar
31.	AiswaryaRajendran
32.	Aleena SajanPlammottil
33.	Alwin Antony
34.	DorinSavio
35.	Khadeeja P K
