REPORT OF EVENT

AMRITA-ANNOOR- RAGAS TELEPATHOLOGY

Logo		College name	Annoor Dental College & Hospital, Muvattupuzha
Report of event			
Date	24/1/2023	Resource persons	Dr. Rajeswari Sreenivas
Time	1:45 am – 2:30 pm	Title	Annoor – Amrita -Ragas- AIMST Telepathology
Venue	Zoom Platform	No. of Participants	24
REPORT			
<p>The 6th session of the Annoor - Amrita - AMIST-Ragas Telepathology, held on January 24, 2023, marked another milestone in the collaborative efforts of multiple dental institutions to advance the field of oral pathology and microbiology. The presentation titled “An Expansile Swelling of Mandible - A Diagnostic Dilemma” provided a platform for in-depth discussion and analysis of a challenging case from the Department of Oral Pathology & Microbiology at Annoor Dental College.</p> <p>This telepathology session brought together faculties and postgraduates from four participating colleges, namely Annoor Dental College, Amrita School of Dentistry, AMIST University in Malaysia, and Ragas Dental College. The interdisciplinary nature of the discussion allowed for a comprehensive exploration of the diagnostic dilemma posed by the case.</p> <p>The involvement of faculties and postgraduates from multiple institutions enriched the discussion by bringing diverse perspectives and expertise to the table. By engaging in an online platform, participants were able to share insights, exchange knowledge, and collectively work towards a better understanding of the case.</p>			

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

What's particularly noteworthy is the international dimension added to the telepathology session, with the oral pathology team from AMIST University in Malaysia joining the discussion. This expansion to an international level not only broadened the scope of the discussion but also facilitated the sharing of best practices and experiences across borders.

The collaborative nature of the Annoor - Amrita - AMIST-Ragas Telepathology sessions underscores the commitment of these institutions to fostering academic excellence and advancing the field of oral pathology and microbiology. By pooling together resources, expertise, and perspectives from multiple institutions, these sessions contribute to the continuous professional development of participants and the advancement of diagnostic and treatment methodologies in dentistry.

REPORT

CLINICAL OBSERVERSHIP PROGRAM

Posting Date	18.08.22 to 24.8.22
REPORT	
<p>The collaboration between Annoor Dental College & Hospital in Muvattupuzha and Saveetha Dental College in Chennai for a student exchange program represents a significant milestone for both institutions and underscores their commitment to academic excellence and the advancement of dentistry.</p> <p>The student exchange program provided a unique opportunity for 12 interns from Annoor Dental College to immerse themselves in a week-long Clinical Observership Program at Saveetha Dental College. This program offered exposure to all clinical departments, including the Maxillofacial Surgery Operation Theater, allowing participants to gain firsthand experience with advanced facilities and techniques.</p> <p>By participating in the internship, these interns had the chance to expand their knowledge base and refine their clinical skills under the guidance of experienced professionals at Saveetha Dental College. The exposure to different methodologies, practices, and facilities at Saveetha Dental College undoubtedly enriched their understanding of dentistry and aligned them with global standards in the field.</p> <p>The collaboration between Annoor Dental College & Hospital in Muvattupuzha and Saveetha Dental College in Chennai for a student exchange program represents a significant milestone for both institutions and underscores their commitment to academic excellence and the advancement of dentistry.</p> <p>The student exchange program provided a unique opportunity for 12 interns from Annoor Dental College to immerse themselves in a week-long Clinical Observership Program at Saveetha Dental College.
