MAX DENT LABORATORY VISIT

Logo		College name Annoor Dental College & Hospital, Muvattupuzha	
Report of event			
Date	8/11/2023	Resource persons	Dr VEENA PAUL
Time	8:30 AM– 2:30PM	Title of event	<u>MAX DENT LABORATORY VISIT</u>
Venue	MAXDENT ORTHO PVT. LTD. SH 1, EAST MARADY, MUVATTUPUZHA MAXDENTA LAB MUVATTUPUZHA PIRAVOM ROAD NORTH MARADY P.O, MUVATTUPUZHA, KERALA 686673	No. of Participants	20
REPORT			
<p>Department of Prosthodontics, Annoor dental college and hospital organized and conducted a dental laboratory visit to MAX DENT LAB on 8TH of November 2023. A total of 11 interns participated in the laboratory visit and they were accompanied by faculty Dr Veena Paul. The team started from the college by around 9 am and arrived at MAX DENTAL LAB by 9.30.am. The main objective of the visit was to inculcate knowledge and understanding regarding digital dentistry (especially CAD-CAM procedures).</p> <p>The discussion sessions between the participants and the laboratory technicians took about 2 hours. We reached back to college by 2.30pm. The students found the laboratory visit to be extremely informative and enriching.. Thus, It can be concluded that the lab visit was successful and we believed that our objective was achieved. It was a well recommended visit especially for fresh BDS graduates in order to help them improve their understanding and knowledge regarding digital dentistry and the laboratory protocols.</p>

Name of Event:

Date	19 November 23	Staff accompanied	Dr Anjana Thomas Dr Achsah Ann Thomas
Time	8.30AM to 5PM	Title	Animal House at Nirmala College of Pharmacy
Venue	Nirmala College of Pharmacy, Muvattupuzha	No. of Participants	51 Undergraduate students 17 PG students

REPORT

Visit Report: Animal House at Nirmala College of Pharmacy

Date: November 13, 2023

Time: 8:30 am - 10:30 am

Participants:

51 undergraduate students

17 post graduate students

Two faculty members: Dr. Anjana Thomas and Dr. Achsah Ann Thomas, senior lecturers, Department of Prosthodontics

Hosts:

Ms. Flowelet (Reception)

Dr. Dhaneesh (IQAC Coordinator)

Overview:

On November 13, 2023, 51 second-year BDS students, 17 postgraduate students accompanied by Dr. Anjana Thomas and Dr. Achsah Ann Thomas, visited the Animal House at Nirmala College of Pharmacy. The visit commenced at 8:30 am and concluded at 10:30 am.

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

Reception:

Upon arrival, the students were received by Ms. Flowelet. Dr. Dhaneesh, the IQAC Coordinator, played a pivotal role in coordinating the visit and extended a warm welcome to the students.

Introduction to Nirmala College of Pharmacy:

Dr. Dhaneesh provided an introduction to Nirmala College of Pharmacy, offering insights into the institution's mission and achievements. He also highlighted the significance of the Animal House in the context of pharmaceutical education and research.

CPCSEA Presentation:

Ms. Parvathy Murali delivered a presentation on The Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA). This statutory body, formed by an act of the Indian parliament, plays a crucial role in regulating and overseeing experiments involving animals. The presentation provided an understanding of ethical considerations and legal frameworks surrounding animal experimentation.

Animal House Tour:

The students were taken on a comprehensive tour of the Animal House, where they observed various sections housing rats, mice, and an isolation room. Guidelines regarding euthanasia were explained, emphasizing the ethical aspects of handling animals in research.

Demonstrations:

The faculty conducted demonstrations on the routes of administration of food and drugs, illustrating the importance of precision and care in experimental procedures. Students actively participated in animal handling under supervision, gaining practical insights into the techniques involved.

Photographs and Interaction:

Photographs were taken to commemorate the visit, capturing moments with the principal and faculty members of Nirmala College. An interactive session allowed students to engage with the hosts and clarify any queries regarding the Animal House and related practices.

Conclusion:

The visit proved to be both educational and practical, enhancing the students' understanding of animal research ethics, experimental procedures, and the role of regulatory bodies. The collaborative efforts of

REPORT OF EVENT

Name of Event:

Date	13 November 23	Staff accompanied	Dr Anjana Thomas Dr Achsah Ann Thomas
Time	8.30AM to 10.30AM	Title	MEDEX 23
Venue	HERBAL GARDEN AT NIRMALA COLLEGE OF PHARMACY	No. of Participants	51 UNDERGRADUATE STUDENTS 17 PG STUDENTS

REPORT

Hosts:

Ms. Flowelet (Reception)

Dr. Dhaneesh (IQAC Coordinator)

Overview:

On November 13, 2023, 17 postgraduate and 51 undergraduate students, accompanied by Dr. Anjana Thomas and Dr. Achsah Ann Thomas, visited the Herbal Garden at Nirmala College of Pharmacy. The visit commenced at 8:30 am and concluded at 10:30 am.

Reception:

Ms. Flowelet warmly received the students upon their arrival. Dr. Dhaneesh, the IQAC Coordinator, played a key role in coordinating the visit and provided a welcoming introduction to Nirmala College of Pharmacy, shedding light on the institution's background and achievements.

Herbal Garden Tour:

The students were guided through the Herbal Garden, where they received detailed explanations from the Nirmala College of Pharmacy students about each plant and its medicinal values. This interactive session allowed for a comprehensive understanding of the diverse range of medicinal plants cultivated in the garden.

Faculty Involvement:

Dr. Anjana Thomas and Dr. Achsah Ann Thomas actively engaged with the students, offering insights and

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

perspectives related to the herbal garden, connecting theoretical knowledge with practical applications.

Future Plans:

Dr. Dhaneesh shared information about the future plans of opening the Herbal Garden to the public, emphasizing the college's commitment to community engagement and education. The plans include making saplings available to the public to promote awareness about medicinal plants.

Collaboration with Nagarjuna Pharmaceuticals:

Details were provided regarding an existing collaborative garden with Nagarjuna Pharmaceuticals, showcasing the college's commitment to industry collaboration and the practical application of pharmaceutical knowledge.

Photographs and Interaction:

Photographs were taken to capture the memorable visit, including moments with the principal and faculty members of Nirmala College. An interactive session allowed for further discussion and clarification of any queries.

Conclusion:

The visit to the Herbal Garden at Nirmala College of Pharmacy proved to be an informative and engaging experience for the postgraduate students and faculty members. The detailed explanations provided by the host students enhanced the understanding of medicinal plants and their applications. The commitment to community engagement and industry collaboration, as highlighted by Dr. Dhaneesh, reflects the college's dedication to holistic education and practical relevance. The visit concluded at 10:30 am, leaving the participants with a deeper appreciation for the role of medicinal plants in pharmaceutical science.

REPORT OF EVENT

Name of Event:

Logo		College name	Annoor Dental College & Hospital, Muvattupuzha
Report of event			
Date	19 November 23	Accompanying staff	Mrs Suvarna TP Dr Freeda Ambooti
Time	8.30AM to 5PM	Title	MEDEX 23
Venue	Medical College Kottayam	No. of Participants	44 Undergraduate students
REPORT			
<u>MEDEX, Medical Exhibition at Medical College Kottayam</u>			
Date: 19th November 2023			
Venue: Medical College Kottayam			
Accompanying Faculty: Dr. Freeda Ampotti, Ms. Suvarna TP			
Introduction:			
On the 19th of November, a group of enthusiastic 44 undergraduate students and 20 postgraduate students from Annoor dental college had the privilege of attending the MEDEX Medical Exhibition at Medical College Kottayam. This event was a grand platform for the exploration of human anatomy and a showcase of cutting-edge medical innovations. Accompanied by our esteemed faculty members, Ms. Suvarna TP and Dr. Freeda Ampotti, the experience was nothing short of enlightening and awe-inspiring.			
The Spectacle of Human Anatomy:			
The exhibition provided a comprehensive view of the intricate details of human anatomy. The

students had the opportunity to witness anatomical models, interactive displays, and informative sessions that illuminated the complexity and beauty of the human body. The hands-on experiences and demonstrations allowed for a deeper understanding of medical concepts, fostering a sense of curiosity and appreciation among the attendees.

Cutting-Edge Medical Innovations:

Medex did not just focus on the fundamentals of anatomy; it also served as a stage for the display of cutting-edge medical technologies and innovations. The students were exposed to the latest advancements in diagnostic tools, surgical techniques, and therapeutic approaches. Engaging with professionals and experts in the field, our students gained valuable insights into the future of healthcare and the potential impact of emerging technologies.

Educational Interactions:

The presence of postgraduate students and faculty members enhanced the educational experience for our students. Dr. Freeda Ampotti and Ms. Suvarna TP provided guidance and context to the various exhibits, helping students connect theoretical knowledge with practical applications. The interactions with postgraduate students added a personal touch, offering perspectives from individuals currently immersed in advanced medical studies.

Celebrating Knowledge and Innovation:

The Medex Medical Exhibition was not just an educational event; it was a celebration of knowledge and innovation in the field of medicine. Students, faculty, and professionals came together to appreciate the progress made in healthcare and to envision the future of medical science. The atmosphere was filled with enthusiasm and a shared passion for advancing the frontiers of medical knowledge.

Conclusion:

In conclusion, the Medex Medical Exhibition at Medical College Kottayam was a resounding success. The students, accompanied by Dr. Freeda Ampotti, Ms. Suvarna TP, and postgraduate students, gained invaluable insights into the intricacies of human anatomy and witnessed the forefront of medical innovation. This experience not only enriched their academic knowledge but also inspired a deeper appreciation for the profound impact of medical advancements on healthcare. We extend our gratitude to the organizers of Medex for orchestrating such a remarkable event, and we look forward to future opportunities for our students to engage with the dynamic world of medicine.

REPORT OF EVENT

SMY LAB DENTAL LABORATORY VISIT

Date	2/11/2022	Resource persons	DR SARATH SASIDHARAN, DR ANJANA THOMAS
Time	8:30 AM– 2:30PM	Title of event	<u>SMY LAB DENTAL LABORATORY VISIT</u>
Venue	SMY DENTLA LAB, VALAKAM,MUVATTUPUZHA	No. of Participants	11

REPORT

Department of Prosthodontics, Annoor dental college and hospital organized and conducted a dental laboratory visit to SMY DENTAL LAB on 2nd of November 2022.

A total of 10 student participants of Part –II final year batch accompanied by two faculties (Dr Sarath Sasidharan & Dr Anjana Thomas) went for the laboratory visit.

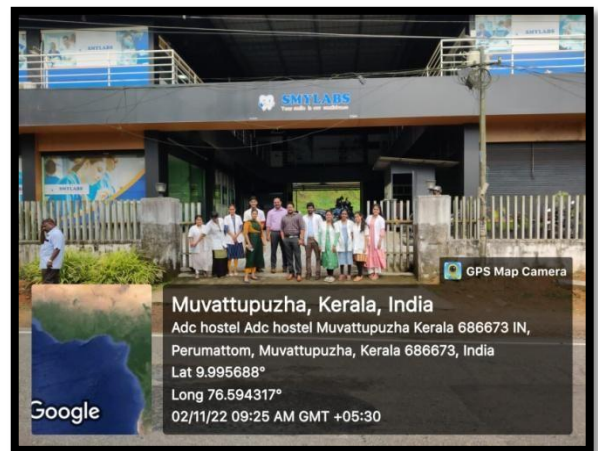

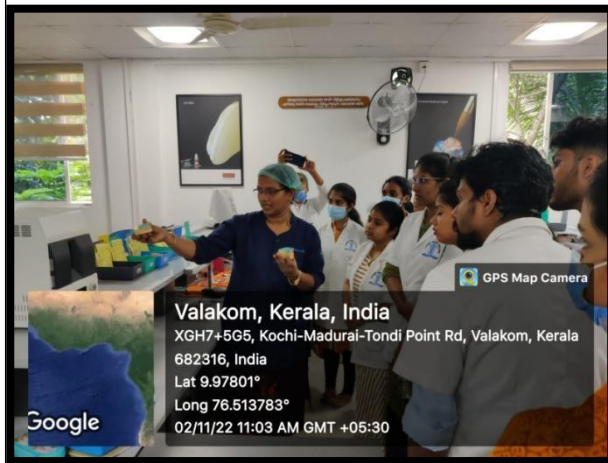

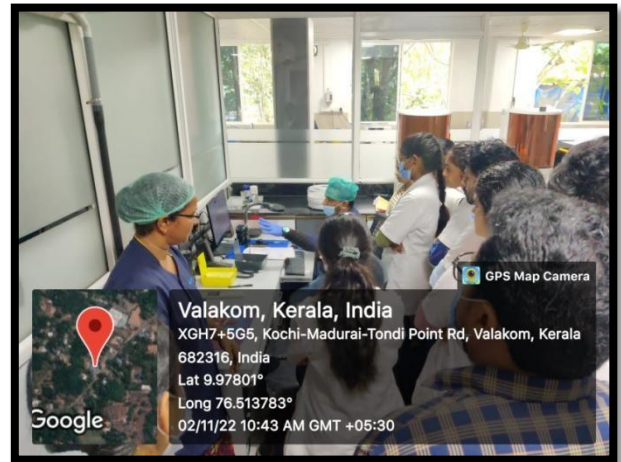

Trip started from the college by around 9 am and arrived at SMY DENTAL LAB by 10.am.

The main objective of the trip was to inculcate knowledge and understanding regarding digital dentistry (especially CAD-CAM procedures).

The discussion sessions between the participants and the laboratory technicians took about half an hour. Due to time constraints as there were many things to watch and ask, we tried to get the contact numbers of the chairman and CEO (SMY DENTAL LAB) to arrange for future visits.

Our trip ended by around 2pm. It can be concluded that the trip was successful and we believed that our objective was achieved.

It was well recommended visit especially for final year BDS students in order to help them improve their understanding and knowledge regarding digital dentistry

PARTICIPANTS

S NO	NAME OF STUDENTS
1.	AISWARYA REJENDRAN
2.	ALWIN ANTONY
3.	DORIN SAVIO
4.	MEERA SURESH
5.	SALIHA Z
6.	SANTHLAL T M
7.	SHALU SHAJU
8.	SHERIN SHIBU
9.	SHILPA S
10.	SAFLIN IQUBAL
11.	ANJANA ANIL
