REPORT OF EVENT

Date	20.07.2023	Resource person	Dr. Pooja Latti
Time	01.00 PM	Title of event	“SLIDE TO SUCCESS”
Venue	T.M. Seethy Hall	No. of Participants	74

REPORT

The Department of Public Health Dentistry organized an interdisciplinary CDE program on the topic, “SLIDE TO SUCCESS” on 20th July, 2023. Dr. Pooja Latti , Professor and HOD, Department of Public Health Dentistry, was the resource faculty. The session commenced with a prayer song by the interns, followed by welcome address by Dr. Navami Ashok, Senior Lecturer, Department of Public Health Dentistry. Dr. Deepu George Mathew, Professor and HOD, Department of Oral Pathology and Dr Josey Mathew, Professor and HOD, Department of Conservative dentistry and Endodontics, were the moderators of the session. Dr. Josey Mathew introduced the speaker.

The talk threw light on upscaling PowerPoint presentation to make it more interesting and interactive. It empowered the participants with the necessary tools and skills to ace presentations. The concluding remarks of the session were given by Dr. Deepu George Mathew. The speaker and moderators were presented with certificates.

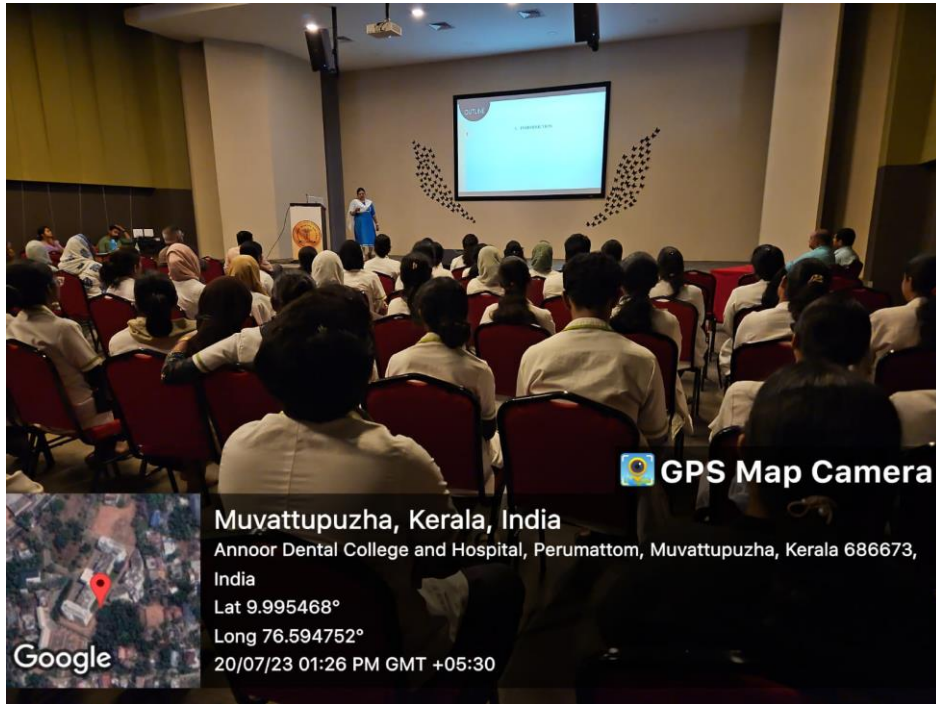

Vote of thanks was given by Dr. Vaishak Ashok, Tutor, Department of Public Health Dentistry. The participants gave their feedback through online feedback form and refreshments were provided to all the participants. Excellent feedback was received from the participants as they found the session very informative and relevant.

REPORT OF EVENT

Date	17.10.2023	Resource persons	Dr. S. Radhakrishnan
Time	8:30 am – 10:30 am	Title	Glimpses to Future – Medical Scholars training program (Communication and development skill)
Venue	Lecture Hall IV	No. of Participants	56

An orientation class was conducted for the First BDS students at Annoor Dental College & Hospital on October 17, 2023, with the topic "Glimpses to Future." The session was hosted and facilitated by Dr. S. Radhakrishnan, the Director of Psylogs Foundation, Pala.

The orientation class aimed to provide our newly admitted First BDS students with valuable insights into the journey they are embarking on and to inspire them to envision their future in dentistry. Dr. S. Radhakrishnan, an esteemed expert in the field, was the resource person for this event. He shared his extensive knowledge and experience, offering the students a unique perspective on the field of dentistry and its role in the healthcare sector.

The highlights of the orientation class included:

During the orientation class, several activities were incorporated to engage the students actively. They were divided into groups, and each group was given the task of defining the qualities of an ideal student. This activity not only encouraged teamwork and collaboration but also prompted the students to reflect on their own aspirations and qualities they hope to embody.

The orientation class also had a significant impact on the students' self-confidence. Dr. Radhakrishnan's motivational talk and words of encouragement inspired them to believe in their abilities and to strive for excellence. It was heartening to see their self-assurance grow as the session progressed. Furthermore, the event fostered a sense of unity among the First BDS students. They engaged in discussions, shared their thoughts, and formed connections with their peers. This unity is an essential component of a positive learning environment and bodes well for the collaborative spirit we aim to instill in our students.

The students found the session to be extremely informative and enlightening. Dr. Radhakrishnan's expertise and engaging teaching style made the content easily accessible and relatable for the students.

Overall, the orientation class on "Glimpses to Future" was a resounding success. It provided our First BDS students with essential knowledge, motivated them to set exacting standards for their future, boosted their self-confidence, promoted unity among them, and facilitated creative group activities that encouraged them to reflect on their qualities as students.

Report of event			
Date	06/10/23 to 14/10/23	Resource persons	Dr. Jeslin
Time	8:30 am – 9:30 pm	Title	Yoga Training
Venue	TM Seethy Hall	No. of Participants	50
REPORT			
<p>Annoor Dental College, committed to holistic education and the overall well-being of its students, took a significant step in enhancing the curriculum by introducing yoga classes for the 1st-year BDS (Bachelor of Dental Surgery) students. This initiative was launched with the objective of promoting physical and mental wellness among students, thereby ensuring a more balanced and resilient future generation of dental professionals.</p>			
<p>Course Details:</p> <p>The yoga class was introduced into the curriculum at the beginning of the academic year 2023-2024.</p>			
<p>Key Objectives:</p> <p>Promoting Physical Health: The inclusion of yoga aims to enhance students' physical health by improving flexibility, strength, and posture.</p> <p>Stress Reduction: Dental education can be demanding. Yoga is an effective tool for stress management, and it is expected to help students cope with the rigors of the course.</p> <p>Enhancing Mental Well-being: Practicing yoga helps in calming the mind, improving concentration, and enhancing mental clarity - skills that are invaluable for dental professionals.</p>			
<p>Event Highlights:</p> <p>Dedicated Instructors: The college recruited experienced yoga instructors who are skilled in working with beginners and adapting practices to individual needs.</p> <p>Curriculum Integration: The yoga classes were seamlessly integrated into the 1st-year BDS curriculum, ensuring that students could conveniently attend without disrupting their academic schedules.</p>			
<p>Schedule: Yoga classes are held 4 days a week daily, with sessions lasting 60 minutes each. The schedule is designed to accommodate both theoretical and practical subjects.</p>			
<p>Student Participation: Students enthusiastically participated in the first yoga session. The attendance</p>

was impressive, demonstrating a strong interest in the new addition to the curriculum.

Benefits and Future Plans:

The introduction of yoga into the BDS curriculum has already shown promising results. Students have reported feeling more relaxed and focused. They have also noted improvements in their posture and overall physical health. The college plans to monitor the progress of students and may consider expanding the yoga program to other batches if the positive effects continue.

Annoor Dental College's decision to introduce yoga classes into the curriculum for 1st-year BDS students is a commendable step towards nurturing future dental professionals who are not only academically competent but also physically and mentally resilient. The initiative has been met with enthusiasm from students and staff alike, and it is expected to make a significant contribution to the overall well-being of the dental college community.

REPORT OF EVENT

Date	21-06-2023	Resource persons	Dr.Ceby George, Dr.Jeslin James and Dr.sruthi
Time	9.30PM-10.30PM	Title	Yoga Day
Venue	COLLEGEAUDITORIUM	No. of Participants	215

REPORT

“Yoga for VasudhaivaKutumbakam”. Was the **theme for Yoga Day 2023**, “Yoga for VasudhaivaKutumbakam” will focus on the participation of one and all without any restriction of age, gender, class, area etc. **Yoga for the Welfare of All as One World-One Family,** is the theme for the International Yoga Day 2023 was announced by **Prime Minister Narendra Modi**. Yoga controls your breathing pattern. It can help improve your mental health. According to studies, yoga can help manage symptoms of depression. Yoga enhances your overall physical health. Flexibility is an important component of your physical health. Yoga poses of all intensities can help improve flexibility in people of all ages. Yoga helps improve both mental and physical health. It improves your strength, sleep pattern and immunity. Yoga can also help you manage pain. All these factors collectively improve one's quality of life

Annoor Dental college and Hospital celebrated the **International Yoga day on 21-06-2023** . The programme was held in T.M.Seethy Hall at 9AM. The physical education director **Dr. CebyGeorge** , along with **Dr. Jeslin James** and **Dr. sruthi** gave a detailed introduction to the yoga practices and their benefits across all walks of life . They demonstrated the different Asanas which were clearly explained about their functions and utility.

The programme was attended by the Principal of the institution Dr. Giju Baby George and all the staff members. The students showed great enthusiasm in participating and doing the asanas with much eagerness. The students from the first year to final year, the interns and the post graduates participated in the programme and were really benefitted from the yoga class taken by the enthusiastic faculty comprising of Dr. Ceby,Dr, Jeslin and Dr. Sruthi.

The poster features a dark blue background with a starry pattern. At the top left is the college's logo, and at the top right is a smaller version of the NAAC logo. The central text reads 'ANNOOR DENTAL COLLEGE AND HOSPITAL' in a stylized white font, followed by the address 'MUVATTUPUZHA, ERNAKULAM 686673'. Below this is another NAAC logo. The main title 'Welcome PG Students of MDS Batch 2022' is written in large red letters. A blue rectangular box with white stars contains the text 'INDUCTION CEREMONY'. The word 'MAHATRIA' is written in large, bold, yellow-outlined letters, followed by '2K22' in a similar style. Below this is the motto 'To Excellence through a Divine path' in a cursive font. At the bottom, the date '05.12.2022' is displayed in large white letters.

REPORT – COMMUNITY SERVICE

Donation Campaign

No. of Participants	35	Date	2/6/2023
----------------------------	----	-------------	----------

REPORT

The students of the 2018 batch conducted a heartwarming donation campaign on June 2, 2023, with the noble intention of collecting reusable clothes for those in need. This act of kindness reflects the strong sense of community and compassion that these students possess.

Their initiative resulted in the collection of over 300 clothes, which is a remarkable achievement. These clothes were not just any garments; they were a symbol of warmth, care, and hope for those who would receive them.

The beneficiaries of this generous donation were the inmates of Bethlehem Abhayabhavan Koovapady, Perumbavoor. This institution likely serves as a home and support system for individuals who are in challenging circumstances, such as the elderly, homeless, or disadvantaged. Donating clothes to such an organization can have a profound impact on the lives of its residents, providing them with essential clothing and, more importantly, a sense of dignity and belonging.

The fact that the donation was received by the founder of Abhayabhavan, Smt. Mary Esthappan, adds a personal touch to this act of goodwill. Such initiatives not only meet immediate material needs but also foster a sense of empathy and community among the students. They are actively participating in making the world a better place by reaching out to those less fortunate. The impact of this event will undoubtedly resonate with both the students and the recipients for a long time, serving as a reminder of the power of kindness and collective action.

The donation campaign reflects the potential for positive change when individuals come together to help those in need.

REPORT OF EVENT

Date	22/11/2022	Resource persons	Dr. JISS MARY
Time	1:00 PM	Title	“HUMAN RAINBOW”
Venue	AUDITORIUM	No. of Participants	150

REPORT

A Program for Academic Contribution & Excellence (PACE) was conducted in association with Annoor Women’s Brigade on 22.11.2022 by Dr. Jiss Mary, Dept. of Oral Medicine & Radiology, Annoor Dental College & Hospital, Muvattupuzha. The lecture was on the Topic “**Human Rainbow**” The lecture was found to be very informative and enlightening and it added a new dimension on the perception of Gender roles and differences. Over 150 participants attended the program. The Undergraduate and Post Graduate students enormously benefited and gave excellent feedback about the program. The speaker was awarded for the lecture. The program was highly informative and was a very successful one.

Report of the Event

Date	10.12.2022	Resource persons	Dr. Pooja Latti Dr. Navami Ashok Dr. Aiswarya Jayan
Time	10.00AM	Title of event	INTERNATIONAL DAY OF DISABLED PERSONS
Venue	Bethany Shalom Bhavan, Pothanicad	No. of Participants	12

REPORT

An oral health awareness programme was conducted in observance of the "International Day of disabled persons", by the Department of Public Health Dentistry, Annoor Dental College and Hospital, on the 17th anniversary celebrations of Bethany Shalom Bhavan, Palliative care centre, Pothanicad on 10/12/2022. Around 120 patients gathered at the center wherein various programs were conducted. Our college students were volunteers for the programme and they assisted the patients who attended the programme.

The event was inaugurated by Bishop Dr. Yoohano Mar Theodosius Metropolitana. Felicitation speech was given by Dr. Navami Ashok. An oral hygiene awareness skit was performed by the students along with other entertainment programs. An awareness talk on maintenance of oral hygiene was given. Diabetic toothpastes and brochures on maintenance of oral health were distributed to all the patients. Excellent feedback was received from the organizers.

Venue	ANNOOR DENTAL COLLEGE AND HOSPITAL	No. of Participants	39

REPORT

Department Of Prosthodontics, Annoor Dental College and Hospital in association with IDA Malanadu, Annoor Women's Brigade and Kudumbasree conducted free dental check up and treatment camp. A total of 39 patients reported for the camp. Basic treatment options like simple extractions, amalgam restorations and oral prophylaxis were carried out. Impressions of completely and partially edentulous patients were recorded and further appointments were given. Combined efforts of all departments especially department of oral medicine, public health dentistry, periodontics and oral surgery had made the treatment camp a grant success.

Date	6-1-23 to 11-1-23 and 3-4-23 to 5-4-23	Resource persons	Dr Joby Peter, Dr. Binu T Abraham, Dr. Monika Sharma, Dr. Shine Shukoor, Ahana Cleetus
Time	8.30am- 4 pm	Title	Advanced Masters Training Program in Interceptive & Myofunctional therapy
Venue	College Auditorium	No. of Participants	10

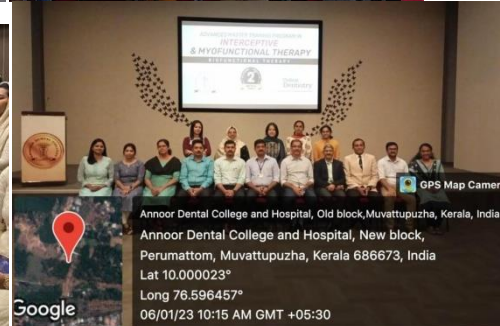

REPORT

The Department of Pediatric & Preventive Dentistry conducted Advanced Masters Training Program In Interceptive & Myofunctional Therapy in association with Online Dentistry. The program is planned for a span of one year with online modules & 4 in-campus modules of 3 days each. The faculties of the program were Prof. Dr. Joby Peter, Head of the Department, Dr Binu T Abraham, Director & Chief Consultant, Kerala Dental Clinic, Aluva, Dr. Monika Sharma, Gokulam Medical College & Hospital, Dr Shine Shukoor, Chief Consultant, Kinder Speciality Hospital & Ahana Cleetus, Speech Pathologist, Rajagiri Group of Hospitals.

The first phase commenced on 26th of September 2022 with an elaborate 3 day training program. Our pilot batch had 5 participants from various parts of India & abroad. The second batch commenced on 6th of January 2023 with 5 participants. The second module was from 9-1-23 to 11-1-23. The third module from 3-4-23 to 5-4-23.

The instructors were experts in the area and were well informed and are involved with leading research happening in the field. Although the content was complex, it was presented in the most comprehensible and lucid style. The hands-on-training provided helped the students to grasp and understand the concept better.

REPORT

State level CDE programme “ASCON 2K23 Surgical Conference” was conducted at Annoor Dental College & Hospital, Muvattupuzha organized by the Department of Oral and Maxillofacial Surgery on 26.02.2023 and 26.02.2023. The Guest Speakers for the day were Prof Dr. Varghese Mani, Dean MBDC Kothamangalam, Prof. Dr. Sankar Vinod, HoD (OMFS), MBDC, Kothamangalam, Dr Pravish Vishnudas, Reader, Sree Anjaneya Instiute of Dental Sciences. The CDE programme started at 9:30 am on 26.02.2023.

At 8:30 am on 26.02.23 registration for the delegates began at the reception, following which they were seated in the auditorium for the scientific sessions.

The Program officially started with a welcome address by Dr. Arun Murali, Senior Lecturer, OMFS, Annoor Dental College followed by Principal’s address by Dr. Giju George Baby and a lamp lighting ceremony and prayer. A college report was also presented for the audience. The event continued with a departmental overview and a look back at ASCON by Dr. Joji Peter, Senior Lecturer, Dept. of OMFS.

The first lecture in the morning session was on “Management of third molar impactions” by Dr Eldhose George; Professor and HOD, Dept. of Oral and maxillofacial surgery. The session was followed by tea break at 10.30 a.m. Following this the second session was preceded by the Chairman’s address by Adv. T. S. Rasheed that started at 11.15 am. The second session was on ‘Back to basics’ by Dr Pravish Vishnudas, Reader, Sree Anjaneya Instiute of Dental Sciences. Lecture concluded at 1.00 p.m. The morning sessions were chaired by Moderators Prof. Dr. Sankar Vinod, HoD (OMFS), MBDC, Kothamangalam and Dr Vineeth Alex, HOD Dept of Oral Medicine and Radiology and Dr Eldhose George; Professor and HOD, Dept. of Oral and maxillofacial surgery. Session was dispersed for lunch.

The afternoon session started at 2.00 pm by Dr Paul Steaphen, Reader, Dept of oral and maxillofacial surgery; with the lecture on “Oroantral Communication & Fistula”. This session ended till 2:45 pm. Following final lecture was on “Tackling Medical Emergencies” by Dr Joji

Peter, Senior Lecturer, Dept of oral and maxillofacial surgery at 3.00 p.m. Each session was followed by questions from the audience as well as discussions that made the sessions interactive. The scientific sessions for the day came to an end with handing over of mementos and certificates to the speakers as well as the moderators. The lead MCs for the event was Dr. Diya Sajan and Dr. Gerald, Interns, Annoor Dental College. Vote of thanks was proposed by Dr. Anakha Ashok, Senior Lecturer, OMFS, Annoor Dental College. The program concluded for the day with national anthem and photography with the delegates. A tea break was provided.

As part of the program and to relax and unwind and better interact with the participants, a small get together and dinner was arranged at Barkaas restaurant, Muvattupuzha from 6:30 pm.

On 27.02.2023 the clinical demonstration started at 9.00 a.m by Dr Eldhose George. The HoD discussed the radiograph and demonstrated a case of third molar impaction and a cyst enucleation. Following, case discussions of their respective allotted cases were conducted with the delegates. Delegates performed procedures under the supervision of In-house Faculty. Event successfully concluded at 4.00 p.m. The event was successful due to unconditional support from other teaching staff and Non-teaching staff.

The scientific session and Hands on course was attended by over 141 delegates which included staffs, interns from surrounding colleges and General practitioners from Kerala. A total of 39 outside delegates and practitioners registered for the event. The list of the documents has been signed by the KDC observer Dr Syed Mohammed Jifry. Thank you for your whole hearted support.

REPORT OF EVENT

Date	28th Feb 2023 to March 2nd 2023.	Resource persons	Dr Jose Paul, Dr Johnson Prakash D'Lima, DrSenny Thomas Parackal
Time	8:30am -5pm	Title	Overview of dental implantology Diagnosis and treatment planning of implant patients Surgical placements Advanced implant surgical procedures Soft tissue management Principle of immediate implant placement Post surgical complications
Venue	TM SEETHY HALL	No. of Participants	

REPORT

Department of Periodontics, Annoor Dental College and Hospital in association with Dept of Prosthodontics and Dept of OMR conducted the first module of Advanced implantology course from 28th Feb to March 2nd 2023. A total of 20 participants registered for the course. The MC for the programme was Dr.Shadiya Shareef 1st year post graduate student. The programme started with a prayer song by Dr. Deepthy Nair, 1st year post graduate at 9:00am followed by welcome address by Dr. Senny Thomas Professor Dept of Periodontics. Dr Jose Paul, Professor and Head of Department gave an overview about the programme. The key note speakers for the sessions were Dr Jose Paul Professor and Head of Dept of Periodontics, Dr Johnson Prakash D'lima professor Dept of periodontics, Dr Giju George Baby Professor Dept of OMR, Dr. Senny Thomas Professor Dept of Periodontics and Dr Manu Johns Professor Dept of Prosthodontics. A CBCT programme was session by Dept of OMR followed by hands-on. On the first day participants placed implants on dummy models and subsequent days they were able to place implants on patients under the supervision of mentors.

Advanced Implantology

Feb. 28, Mar. 1 & 2, 2023

FACULTY

Dr Johnson Prakash Dlima
Dr Jose Paul
Dr Senny Thomas
Dr Giju George Baby
Dr Cherian KP
Dr Manu Johns

Module 1: Surgical Phase (3days)
Module 2: Prosthetic Phase (2days)

COURSE HIGHLIGHTS

1. Placement of atleast one implant by a participant (additional implants on extra payment)
2. Hands on CBCT
3. Demonstration of PRF
4. Live surgical demonstration
5. Didactic lectures
6. Hands on various impression procedures
7. Online access to international journals on implantology

REPORT OF EVENT

Date	24.11.2022 and 25.11.2022	Resource persons	Day 1- Dr.Mukundan Vijayan Day 2- Dr.Abhisek Ghosh and Dr.Adith Venugopal
Time	9.00am – 5 pm	Title	ORTHOVAGANZA- A two-day extravaganza of academic & clinical orthodontics
Venue	TM Seethy Hall	No. of Participants	Day 1- 85 Day 2- 117

REPORT

Day 1- “The Royal Journey”- An orientation & route map towards MOrth RCS

The program began with an inaugural function starting off with a silent prayer followed by the College report display and Annoor Anthem.

This was followed by the welcome speech by the Prof. and Head Dr. Gopikrishnan. S.

The lamp lighting ceremony followed the welcome speech.

The gathering was addressed by the Administrative Chairman Adv. T.S. Rasheed followed by the Principal Dr.Giju George Baby.

Dr. Monisha J, Senior Lecturer, Department of Orthodontics introduced the speaker for the day **Dr. Mukundan Vijayan**, who is one of the sort-after speakers on topics pertaining to MOrth examination.

The session began with a talk on “**The need for Certification & the salient points and Exam sections**” where he detailed the importance of pursuing the Membership in Orthodontics(MOrth) and the exam pattern.

This was followed by the “**Orientation class on Important topics for exams and OSCE pattern**” and “**Differences between Glasgow & Edinburgh exam patterns**” where he outlined the must-to-read topics and the different study materials. The similarities and differences in different exam patterns were discussed.

The first post-lunch session was “**Presentation of two cases in the exam pattern**” where he displayed two of his cases prepared and presented for the MOrth examination. The tips and tricks of case presentation were discussed.

The last session for the day was “**Mock exam of one diagnostic case**” where few cases were displayed and the possible questions on the diagnosis and treatment planning of the cases were discussed in detail.

The program came to an end with a valedictory function during which Dr. Gopikrishnan and Dr. Pradeep Philip George awarded Dr. Mukundan Vijayan with a memento and certificate as a token of appreciation.

Day 2- Master class on TADs- OBS- SAS

The program began with an inaugural function starting off with a silent prayer followed by the College report display and Annoor Anthem.

This was followed by the welcome address by the Prof. and Head Dr. Gopikrishnan. S.

Subsequently, the gathering was addressed by Mr. T.S. Binyamine followed by the Principal Dr.Giju George Baby.

The speakers for the day were **Dr. Abhisek Ghosh** and **Dr. Adith Venugopal**, both of whom are pioneers in skeletal anchorage system. They were introduced by Dr. Jiss George and Dr. Jeslin, Senior Lecturer and Reader respectively from the Department of Oral Medicine & Radiology.

The session began with a talk on “**Treatment of Complicated cases with TADs (vertical occlusal cant correction)**” by Dr. Adith Venugopal where he explained the different techniques in treating vertical discrepancy cases and the biomechanics associated with it.

This was followed by a session on “**Treatment of Complicated cases with TADs (vertical problems-**

ANNOOR DENTAL COLLEGE & HOSPITAL

Recognized by the Dental Council of India, New Delhi,
Affiliated to Kerala University of Health Sciences
& Recognized by Govt. of India

Gummy smile)” by Dr. Abhisek Ghosh. He showcased an array of complex cases with vertical discrepancies treated using skeletal anchorage system.

The forenoon session ended with the Department of Orthodontics Logo release as well as the Annoor Orthodontics Alumni Inception.

The post-lunch session began with a talk on **“Orthodontic Re-treatment and Treatment of Borderline Surgical cases with Orthodontic Camouflage”** by Dr. Abhisek Ghosh. The possibilities of treating borderline surgical cases non-surgically as well as successful treatment of relapse cases using skeletal anchorage system were explained.

The last session for the day was by Dr. Adith Venugopal where he showed the management of Class III cases using Buccal Shelf Screws. The various iatrogenic side effects of skeletal anchorage system and the means of managing the same were also spoken about.

The program came to an end with a valedictory function during which Dr. Gopikrishnan and Dr. Pradeep Philip George awarded the speakers with a memento and certificate as a token of appreciation.

The program concluded with a vote of thanks by Dr. Pradeep Philip George, Professor, and Department of Orthodontics.

Course Highlights

How to select the right composites?
Bonding techniques for adhesive restorations.
Role of photography in restorative dentistry.
Matrix selection for composites.
Stepwise approach for tooth preparation.
How to obtain logical matrix for class 4 restorations?
Composite build up for maxillary class 2s.
Finishing and polishing of anterior composites.
Importance of gingival contouring for final restoration.
Adhesive ceramic crown for pediatrics.
Relevance of occlusion in restorative dentistry.
Selection of material for veneers.
Veneer tooth preparation.
Ideal bonding protocol and cementation of veneers.
Different techniques in rubber dam placement.

Hands On

Class 4 composite restoration.
Puppy index for logical matrix.
Diastema closure (direct technique).
Veneer preparation on tooth.
Cementation of processed veneer.
Dental photography.
Rubber dam placement.

Course Objective

The overall expectation of this module and at the end of the course the participant can do good anterior direct composite restoration and indirect veneers.

REPORT

The Department of Pediatric & Preventive Dentistry conducted Advanced Masters Training Program In Interceptive & Myofunctional Therapy in association with Online Dentistry. The program is planned for a span of one year with online modules & 4 in-campus modules of 3 days each. The faculties of the program were Prof. Dr. Joby Peter, Head of the Department, Dr.Binu T Abraham, Director & Chief Consultant, Kerala Dental Clinic, Aluva ,Dr. Monika Sharma, Gokulam Medical College & Hospital, Dr Shine Shukoor, Chief Consultant, Kinder Speciality Hospital & Ahana Cleetus, Speech Pathologist, Rajagiri Group of Hospitals.

The first phase commenced on 26th of September 2022 with an elaborate 3 day training program. Our pilot batch had 5 participants from various parts of India & abroad. The second batch commenced on 6th of January 2023 with 5 participants. The second module was from 9-1-23 to 11-1-23. The third module from 3-4-23 to 5-4-23.

The instructors were experts in the area and were well informed and are involved with leading research happening in the field. Although the content was complex, it was presented in the most comprehensible and lucid style. The hands-on-training provided helped the students to grasp and understand the concept better.
