FIELD TRIP TO SOLAR PLANT

On the 5th and 6th of June 2018 Tuesday, Wednesday respectively, a field visit to herbal isolates pvt limited pancode with 134 students was conducted. They were grouped into three batches belonging to 2nd year, 3rd year and final year. Students were accompanied by three staffs from various departments. The session for 1st batch was from 9:00 A.M to 12:00pm and for 2nd batch from 2:00 pm to 5:00 pm on Tuesday. The third batch was taken on Wednesday and their session began at 9am to 12 pm. A brief explanation on the working, maintenance and installment of the solar panel was introduced to them. They had a discussion on the types of solar panels, those that collect heat (thermal), and those that produce electricity (photovoltaic). Heat from solar panels is often used for space heating and for hot water. Solar panels collect renewable energy. They were also given a live demonstration on working and installation of the solar panel. Over the whole day the students had the opportunity to interact with equipment and ask questions about all the things they were learning. The students were assigned in groups to do a project on solar panel after the visit.

Total number of students participated : 134
