INTERDISCIPLINARY CDE

Logo		College name Annoor Dental College & Hospital, Muvattupuzha	
Report of event			
Date	17.06.2022	Resource person	Dr. POOJA LATTI Professor & Head Department of Public Health Dentistry
Time	1.00 pm	Title of event	PHARMACOVIGILANCE – An Untapped tool in dentistry
Venue	Lecture Hall 4	No. of Participants	53
REPORT			
<p>The department of Public Health Dentistry organized an Interdisciplinary CDE Program on the topic 'Pharmacovigilance – an untapped tool in dentistry' on 17th June 2022 at 1.00pm at lecture hall 4. Dr. Pooja Latti, Professor and Head, Department of Public Health Dentistry, was the resource faculty for the program. The session began with a prayer song followed by a welcome address by Dr. Navami Ashok, Senior Lecturer, Department of Public Health Dentistry. The moderators for the session were Dr. Joe Mathew, Professor, Department of Prosthodontics and Mr. Arun Thomas, Lecturer, Department of Pharmacology. The speaker was introduced to the audience by Dr. Joe Mathew. The talk was very informative and shed a light on all the aspects of Pharmacovigilance and its importance to clinicians. Concluding remarks were given by Mr. Arun Thomas and there was active question and answer session. Certificate of appreciation to the resource faculty was handed over by the Principal, Dr. Giju George Baby and vote of thanks was proposed by an intern. Feedback for the program was collected though google forms and QR code was used for distribution of the form. The program was attended by 53 participants comprised of Teaching staff, Interns and students. The program was well appreciated by all the participants.</p>

REPORT OF THE EVENT

Date	: 05-05-2022	Resource person	: Dr. GIJU GEORGE BABY
Time	: 1 PM	Title	: "MIND YOUR MIND"
Venue	: Annoor Dental College and Hospital- T.M Seethy Hall Auditorium	No. of Participants	: 150

An interdisciplinary CDE program was conducted by the Dept. of Oral Medicine & Radiology, Annoor Dental College & Hospital, Muvattupuzha on 05.05.2022. It was a lecture on the topic "MIND YOUR MIND" by our Principal Dr. Giju George Baby. The program was attended by over 150 participants, which included the faculty members, UG's, Pg's and interns. The lectures were found to be very informative and precise. The Undergraduate and Post Graduate students enormously benefited and gave excellent feedback about the program, using the QR code displayed afterwards. The speaker was awarded for the lecture. The program was highly informative and a very successful one.

10th Principle - Appropriate documentation

- All clinical trial information should be recorded, handled, and stored in a way that allows its accurate reporting, interpretation and verification.

13th Principle - Quality assurance

- Systems with procedures that assure the quality of every aspect of the trial should be implemented.
