REPORT OF EVENT

ANNUAL STATE CONFERENCE- TRIPLE O

Logo		College name	Annoor Dental College & Hospital , Muvattupuzha
Report of event			
Date	27.07.19	Resource persons	Dr. Madhulaxmi M Dr. Giju George Baby Dr. Vineet Alex Dr. Maji Jose
	28.07.19		Dr. George Jacob Dr. Giju George Baby Dr. Pratibha Ramani Dr. Maji Jose Dr. Anita Balan Dr. Latha P Rao
Time	9:00 am – 5:30 pm	Title	OOO CONCLAVE III Annual State Conference 2019
Venue	Annoor Dental College & Hospital – Auditorium	No. of Participants	163
REPORT			
The second annual state conference of "OOO CONCLAVE" III was conducted on 27th and 28th July 2019. The program was organized by Department of Oral Pathology, Oral Medicine and Oral Surgery in College Auditorium in association with the Triple O Kerala Chapter. The Conference was inaugurated by the Directors of the College: Adv T.S Rasheed and Mr. T.S Sivasankar, guided by our Principal Dr. Giju George Baby, Vice Principal - Dr. Liza George and Students Dean- Dr Jose Paul and Triple O Office bearers. A pre-conference course (hands on workshop) on CBCT was conducted by the Department of oral Medicine & Radiology, ADC on 27.07.19 for 78 participants across the state. Renowned speakers (within the state and outside state) from all the three specialties delivered lectures - Dr. Madhulaxmi M (Prof & HOD, Oral Surgery - Sreejitha Dental College, Chennai), Dr. George Jacob, Dr. Giju George Baby (Prof & HOD, Oral Medicine - Sreejitha Dental College, Muvattupuzha), Dr. Pratibha Ramani (Prof & HOD, Oral Pathology - Sreejitha Dental College, Chennai), Dr. Maji Jose (Prof & HOD, Oral Pathology - Sreejitha Dental College, Mangalore), Dr. Anita Balan (Principal, Oral Medicine - Govt Dental College, TVM), Dr. Latha P Rao - (Consultant Oral Surgeon - Aster Medcity, Kochi). Interactive lectures were given on the topics "Triple OOO Medley: A Relay, case discussion, Odontogenic Cysts & Tumors - A Clinical Update, Current concepts in CBCT, Current status of biomarkers for PMD and OSCC in personalised precision Medicine, Stem cells in dentistry, Oral manifestations of systemic diseases and Complications in Minor Oral Surgery" Scientific poster presentation, quiz & carving competitions were also organized on 27.7.19 as part of the triple O conclave.

DEPARTEMENT OF PUBLIC HEALTH DENTISTRY

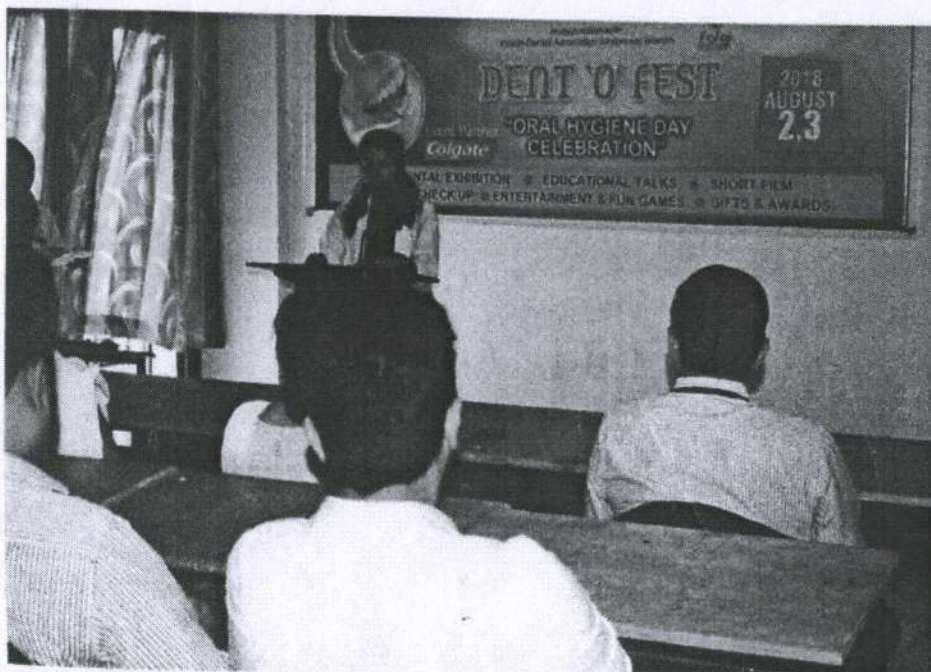

REPORT ON

INTERDISCIPLINARY CDE PROGRAM

An interdisciplinary continuing dental education program was conducted by the Department of Public Health Dentistry on the topic "Deciphering Research- Busting the Myths" by Dr. Pooja Latti, on 7th August 2018 at lecture hall IV. It was the 6th interdisciplinary program that was conducted in the college. The program started at 01:00 pm and was presided over by the Principal, Dr. Giju George Baby and the Vice Principal, Dr. Liza George.

The program was attended by 15 faculty members, 19 post graduate students and 11 house surgeons.

Also, the Department of Conservative Dentistry and Endodontic launched their special program called 'ELITE' which is a course on endodontics, at the onset of the CDE program.

CERTIFICATE COURSE IN BIOETHICS AND RESEARCH METHODOLOGY

2017- 2018

Module 1

Dates: 09th & 10th October 2017

Venue: Lecture Hall IV

Faculty: Dr. Jayanthi

Number of attendees: 36 post graduates + 25 faculty

The first module of Certificate course on research methodology, biostatistics was conducted on 9th and 10th October 2017 organized by the Department of Oral Pathology and Public Health Dentistry, Annoor Dental College, guided by the Principal Dr. Sunil Sunny with the approval of the management. The program was organized in lecture hall 4 and the guest speaker for the workshop was Dr. Jayanthi P., Professor, Department of Oral Pathology, Azeezia Dental College, Kollam. The program was spread over a period of 2 days and the program and attended by the post-graduate students and teaching staff of Annoor Dental College and Hospital. A total of 61 participants registered for the same. On the first day, the workshop began at 1 pm with the inaugural function followed by the welcome address and introduction of the guest speaker by the Principal. The workshop continued on to the second day i.e. 10/10/2017 from 10 am to 3 pm.

The topics covered were on "Who needs research? Literature review, Critical Appraisal of Journal Article. Hands on was conducted on how to search the internet for scientific information?"

Day two topics included were on "Generating hypothesis, Study designs, Hypothesis testing, Scientific writing, Hands on developing research question, Hands on Critical appraisal of statistics in published articles".

REPORT

The IV Post Graduate Convention & XIV Annual State Conference had been organized by the Department of Oral & Maxillofacial Pathology, Annoor Dental College, Muvattupuzha on 28th & 29th January 2017 in collaboration with the Kairali Society of Oral & Maxillofacial Pathologist (KSOMP).

The conference entitled as "Molecular Biology- Current state & future trends" has been a two day programme with insight into the latest techniques of molecular biology and lectures by renowned speakers both in the field of molecular biology and oral & maxillofacial pathology. This programme was intended to orient the young pathologists and post graduate students towards research.

The Conference was inaugurated by the Directors of the College: Adv T.S Rasheed and Mr. T.S Binyamine, guided by Principal Dr Sunil Sunny, and KSOMP Office bearers.

A pre-conference course (hands on workshop) on PCR was conducted by UniBiosys Biotech Research Labs, Cochin on 28.01.17 for 60 participants across the state.

The Keynote Lecture was delivered by Dr. C. Mohan Kumar, Professor & Director, SCMS Institute for Bioscience & Biotechnology Research & Development, Management House on Molecular Diagnosis of Viral diseases, followed by lectures on PCR titled molecular biology techniques & Introduction to PCR by the UNibiosys team.

Scientific poster presentation was also organized on 28.1.17. The preconference ended with a lecture on "Odontogenic tumors: revisited", delivered by Dr. Rakesh S, Professor, Oral Pathology, Amrita School of Dental Sciences, Kochi

The Conference was organized on 28.1.17 at the Paray residency, Muvattupuzha. The keynote lecture was given by Dr Subramania Iyer, Professor & Chairman of Plastic and Reconstructive Surgery, Amrita Institute of Medical Sciences, Ernakulum on the topic "Management strategies of Premalignant and Malignant lesions of oral cavity Influence of Pathologists". Other lectures of the conference were delivered by distinguished oral pathologists of KSOMP. Interactive lectures were also given by Dr Jayanthi, Azeezia Dental College - "Genetic Basis of Oral Diseases".

Slides discussions were conducted by Dr Heera, HOD, GDC TVM, Dr Deepu & Dr Soma, Mar Baseliious Dental College, Kolthamangalam.

A lab visit to Dentcare was organized on both days, well appreciated by all the delegates.

The Conference was concluded with closing remarks. All the speakers and chairpersons were honored. The conference was rated as excellent and informative.

REPORT OF EVENT

STATE CDE PROGRAMME ON Oral Biology & Beyond

Logo		College name Annoor Dental College &Hospital ,Muvattupuzha	
Report of event			
Date	22 nd December 2015	Resource persons	Prof. Dr.Dr.hc. PNR Nair
Time	9:00 am – 5:30 pm	Title	CDE on Oral Biology & Beyond
Venue	Annoor Dental College & Hospital – Auditorium	No. of Participants	160

REPORT

The CDE Programme of “**Oral Biology & Beyond**” was conducted on 22nd December 2015 in colladration with the department of Conservative and Endodontics & Department of Periodontology in the College Auditorium.

The Conference was inaugurated by the Guest speaker- **Prof. Dr.Dr.hc. PNR Nair (Zurich University, Switzerland)**, Directors of the College: Mr. Basheer T.S, Adv T.S Rasheed and Mr. T.S Binyamine, guided by our Principal Dr Sunil Sunny and Vice Principal - Dr.Byju Paul Kurian.

The guest faculty is an **Internationally acclaimed Indian born Swiss based microbiologist**, from **Institute of Oral Biology, Center of Dental and Oral Medicine, University of Zurich, Switzerland**. Professor Nair presented two lectures titled “**Endodontology today and tomorrow**”

Dr. Nair stressed on the fact that in spite of advances in techniques and materials, microorganisms posed a serious challenge in the field of endodontics. Recent research findings were presented in this lecture and highlighted the importance of stringent application of the chemo-mechanical and adjunct root canal measures in order to disrupt the biofilms and reduce the intraradicular microbial load to the lowest possible level for a favourable long-term prognosis for treatment of biofilm infested root canals. The lecture will end with positive developments in endodontology. He also gave an enthralling experience of how his person life challenges led to his academic growth.

This informative program was attended by more than 160 delegates from all over the State Senior academicians and Post Graduate students in the field of Conservative Dentistry and Endodontics, Oral Pathology and Periodontology from various institutions enthusiastically participated in the academic deliberations.

CERTIFICATE COURSE IN BIOETHICS AND RESEARCH METHODOLOGY

2015- 2016

Module 1

Dates: 10th October 2015

Venue: Lecture Hall IV

Faculty: Dr.EbyAlukkal

Dr.Priya Thomas

Number of attendees: 35 students + 15 faculty

The first module of Certificate course on research methodology, biostatistics&Bioethics was conducted on 10th October 2015 organized by the Department of Oral Pathology and Public Health Dentistry, Annoor Dental College, guided by the Principal Dr. Sunil Sunny with the approval of the management. The program was organized in lecture hall 4 and the faculties involved were Dr EbyAlukkal Reader, Department of Public health Dentistry and Dr.Priya Thomas., Reader, Department of Oral Pathology & Microbiology. The program was spread over a day from 8:30 to 5:30 pm. The program was oriented for the post-graduate students, interns and teaching staff of Annoor Dental College and Hospital. A total of 50 participants registered for the same.

The topics covered were as per the course design on Biostatistics. The function was concluded with the valedictory function
