### Memorandum of Understanding

Memorandum of Understanding between Annoor Dental College & Hospital, Muvattupuzha and Kunchath Dental Labs, Kolenchery, Cochin to establish research collaboration & industrial collaboration for utilizing the laboratory for short term research projects.

Annoor Dental College & Hospital, Muvattupuzha proffers undergraduate (BDS) and postgraduate (MDS) courses, affiliated to Kerala University of Health Sciences and approved by the Dental Council of India. The institution serves as a reliable destination to provide the best oral health care and to produce world-class professionals imparting the latest knowledge, fostering research and development and hands-on experience in various streams of dentistry, molding young doctors to serve the society for the betterment of the country. In order to develop research expertise in students, research is integrated as a part of the undergraduate and postgraduate curriculum. Faculty and students are involved in research activities/short term projects involving multiple facets of research in material sciences, advanced treatment modalities and diagnostic techniques.

The Annoor Dental College & Hospital, Muvattupuzha and Kunchath Dental Labs, Kolenchery, Cochin hereby agree to work together:

1. Co-operation between the two institutions may be established within any field related to Science and Technology of mutual interest and in particular in the field of research, development, training, transfer of technology and dissemination of knowledge to the research scholars and students of ADCH on a long term basis.

### Memorandum of Understanding

Memorandum of Understanding between Annoor Dental College & Hospital (ADCH), Muvattupuzha and St. Peters Vocational and Higher Secondary Education, Kolenchery to establish industrial and environmental collaboration for utilizing the facilities for the extension activities of the college.

Annoor Dental College & Hospital, Muvattupuzha proffer undergraduate (BDS) and postgraduate (MDS) courses, affiliated to Kerala University of Health Sciences and approved by the Dental Council of India. The institution serves as a reliable destination to provide the best oral health care and to produce world-class professionals imparting the latest knowledge, fostering research and development and hands-on experience in various streams of dentistry, molding young doctors to serve the society for the betterment of the country. Faculty and students are involved in research activities/short term projects involving multiple facets of research in material sciences, advanced treatment modalities and diagnostic techniques.

It is highly desirable to develop multi-disciplinary training and research through involvement and integration of diverse but relevant disciplines through synergy and knowledge sharing, and ensure dissemination of knowledge to all corners of the country.

The Annoor Dental College & Hospital, Muvattupuzha and St. Peters Vocational and Higher Secondary Education, Kolenchery hereby agree to work together:

MOU No. 004/JRM04L/21742/2020

1. Co-operation between the two institutions may be established within any field related to Science, Technology and environment of mutual interest and in particular in the field of research, development, training, transfer of technology and dissemination of knowledge to the research scholars and students of ADCH.
2. The current agreement seeks to establish cooperation between the two institutions for synergetic collaborations in a resource sharing and knowledge sharing environment in the field of Botanical Garden and Landscaping, Biotic/abiotic stress Management, Environment monitoring and mutagenesis, Biodiversity assessment, Exchange of plant materials and developmental research activities.
3. Field visits for students and faculty
4. The provision of cultural and environmental enrichment opportunities for staff and students of both institutes
5. To design and develop outreach activities and programmes for identified goals of both ADCH and St. Peters Vocational and Higher Secondary Education

To accomplish these objectives, partners will meet at least once a year for the purpose of program planning and monitoring and evaluating outcomes. Decisions at the meeting will be decided by mutual consensus.

The parties are independent of each other. Nothing in this MOU shall be deemed to be a commitment or obligation of Annoor Dental College & Hospital, Muvattupuzha and St. Peters Vocational and Higher Secondary Education, Kolenchery or any of their various components. The entities acknowledge that all or any financial arrangements must be negotiated and will depend upon the availability of funds.

This MOU is at will and be modified with the mutual consent of the authorized individuals of Annoor Dental College & Hospital, Muvattupuzha and St. Peters Vocational and Higher Secondary Education, Kolenchery. Once signed by authorized officials of both groups, this MOU will begin [01/05/2018] and remain in effect until [12/31/2021].
