### WORLD ENVIRONMENT DAY

World Environment Day, which is also known as 'Eco Day' and 'Environment Day', is observed on June 5 every year to lay emphasis on the role of environment in providing essential infrastructure that supports life on earth and human development. This day is the biggest annual event in the world run by the United Nations to mark the environmental awareness among the people.

To mark the importance of Environment day, on 05/06/2020 Dr. Giju George, Principal, Annoor Dental College interacted with the students and spoke about threats to the environment. He emphasized on 'Go Green' policy, plastic free campus and other sensitive issues of environment. The idea was to make them understand that each and every individual has a role to play in preventing the loss of biodiversity and preserving nature for our future.

The talk was concluded by oath-taking ceremony by the participants to protect the environment.
