### WORLD ENVIRONMENT DAY

Environment has been an issue of significance as well as concern and needs to be addressed by the society at large. Developing a greater understanding of the core environmental issues among students will help to inculcate desired ethics and values. They will be able to recognize the importance of preservation and protection of environment.

To commemorate "World Environment Day" Annoor Dental College, conducted an awareness talk on 5/6/2015 (Friday). The speaker for the day was Dr. Jose Paul, Head of the dept, Dept of periodontics. For the event, college auditorium was filled with students and faculty. The speaker focussed on healthy environment wherein the natural cycle goes side by side without any disturbance.

To conclude, the speaker appealed the audience to adopt green ways of life.

### WORLD ENVIRONMENT DAY

World environment day is celebrated on 5<sup>th</sup> June every year, and is the United Nations principal vehicle for encouraging awareness and action for the protection of environment. It has been a flagship campaign for raising awareness on environmental issues emerging from marine pollution, human overpopulation, and global warming, to sustainable consumption and wildlife crime.

Hence, in view of this day Annoor Dental College on 6/6/2016 (Monday) conducted an awareness talk by Dr. Liza George, head of the dept, dept of conservative and endodontics. She addressed in her speech to all the students and faculty "To save mother earth, plant more trees". It was an opportunity to raise awareness and promote action on national environment issues. The programme ended by planting of sapling in the college campus

### WORLD ENVIRONMENT DAY

The food we eat, the air we breathe, the water we drink and the climate that makes our planet habitable all come from nature. Environmental Biodiversity is the foundation that supports all life on land and below water. It affects every aspect of human health, providing clean air and water, nutritious food, scientific understanding and medicine sources, natural disease resistance, and climate change mitigation.

To observe the World Environment Day, an awareness talk was conducted on 5/6/2017 (Monday), at the college auditorium, by our dear principal Dr. Sunil Sunny, to give the students a message to keep the surrounding clean and to build a greener world.

The programme came to an end with everyone pledging to take the initiative of saving the environment and doing their bit for a cleaner and greener Mother Earth.

### WORLD ENVIRONMENT DAY

World environment day focuses on the need to save resources and reconnect with nature. The celebration of this day provides us with an opportunity to broaden the basis for an enlightened opinion and responsible conduct by individuals, enterprises, and communities in preserving and enhancing the environment.

“A small change makes a big difference”, in view of world environment day on 5/6/2018 students of Annoor dental college planted 20 saplings all around the campus. This was followed by an awareness talk at the college auditorium by Ms. Mereena Mathew on the theme ‘better environment for better tomorrow’. Speaking on the occasion she brought positive changes among audience with regard to environment and its conservation for the future.

She concluded her topic by saying that the need of the hour is to integrate biodiversity conservation with economic development. It is imperative to arrest, and check development, which is unsustainable on account of unprecedented biodiversity loss.

### WORLD ENVIRONMENT DAY

World Environment Day, which is also known as 'Eco Day' and 'Environment Day', is observed on June 5 every year to lay emphasis on the role of environment in providing essential infrastructure that supports life on earth and human development. This day is the biggest annual event in the world run by the United Nations to mark the environmental awareness among the people.

To mark the importance of Environment day, on 5/6/2019 Dr. Cherian K.P. Head of the dept, Dept of Prosthodontics and Implantology, interacted with the students and spoke about threats to the environment. He emphasized on 'Go Green' policy, plastic free campus and other sensitive issues of environment. The idea was to make them understand that each and every individual has a role to play in preventing the loss of biodiversity and preserving nature for our future.

The talk was concluded by oath taking ceremony by the participants to protect the environment.

The State of Kerala was rampantly affected by the floods in 2018 Aug- Sept. Thousands of people were left homeless and many lost even the basic requirements to support the family. As a goodwill gesture Students decided to offer a helping hand to the affected people. General body meeting was conducted and decision was taken to help the affected in smallest possible way so that it could be a big help for them. We decided to get new clothing for the affected group. The clothing was collected and was handed over to the teaching staff of the college who ensured that it reached the deserving people in need.

**INTERNATIONAL DAY OF PERSONS WITH DISABILITY**

**ACTIVITY REPORT**

**(03/12/2019, TUESDAY)**

*When we secure the rights of people with disabilities, we move closer to achieving the central promise of the 2030 Agenda – to leave no one behind.* -António Guterres, UN Secretary-General.

**International day of persons with disabilities** is observed on December 3<sup>rd</sup> of every year. The theme for this year International day for disability is '**Promoting the participation of persons with disabilities and their leadership: taking action on the 2030 Development Agenda**'.

On the occasion of International day for persons with disability, an outreach program was conducted by Annoor Dental College and Hospital, Muvattupuzha on 3<sup>rd</sup> December 2019 at Dreamland Park (Latha Park), Muvattupuzha, in association with Block Resource Centre, Muvattupuzha for the disabled children selected from 49 schools in Muvattupuzha subdistrict.. The program was inaugurated by the Muvattupuzha Municipality Chairman Mrs. Usha Shashidharan. Presidential address was given by Mrs. Premeela Gireeshkumar and Dr. Pooja Latti, Reader & Head, Department of Public Health Dentistry, Annoor Dental College and Hospital, Muvattupuzha gave the felicitation address. Dignitaries from various streams of society also addressed the gathering.

  
**Dr. Giju George Baby**  
Principal  
Annoor Dental College & Hospital  
Muvattupuzha - 686673

The following activities were arranged for the children:

- Oral examination was done on 130 children.
- An awareness talk was given to parents and children by Dr.Bijimole Jose, Reader, Department of Pedodontics.
- Dental health Models and exhibits were displayed in the park premises for health education.
- Brushing technique was demonstrated to the children.
- Toothbrush, toothpaste & stationery kit consisting a pen, pencil, scale, eraser, pencil sharpener, chocolate & a smiles badge was distributed to all the children.

A total of 130 children with various disabilities benefited from this outreach program.

All the children were provided with a referral card after screening for availing further necessary treatments in the dental college.

The following annexure are attached herewith this report.

Annexure 1: Photographs of the event

Annexure 2: Newspaper report of the event

Annexure 3: List of Participants (scanned document).
