MISSION

The mission of the college is to impart quality education in dentistry and to provide good health and wellbeing to all the sections of the society. We target to extend service to the needy, service to humanity is our final goal in all our endeavours. The institution plans to have an integrated system of providing service that aims to reach the very last person who needs it the most.

To foster relations with competent organizations who hold similar values and interest.

To inculcate, encourage and promote research in the academic and clinical fields among students and family.

To provide a full-fledged research support system within the college.

To develop a scientific temper, build relations with likeminded organizations, and elevate the quality of controlled research to attain a globally recognized level of research practice.

To educate the common man about oral health awareness through community education.

To nurture and boost oral health care amongst the most disadvantaged by outreach programs.

To build and provide world class infrastructure and facilities with quality teachers and to conduct valid academic programs of practical and read world knowledge of dentistry,

To transfer scientific knowledge to achieve professional skill and personal qualities of international standard.

Muvattupuzha

Sir,

This is to acknowledge our appreciation and gratitude to your Esteemed Institution for conducting a Free Dental Camp for our School Students, at our school compound, from 9.30 am to 1.00 pm, on Saturday, 15th October, 2022

You have rendered a valuable service to our people in this locality. Several people took advantage of it, and quite many will be approaching you for follow ups.

We are very grateful to the respected Doctors and staff who were instrumental in the smooth and effective conduct of the Camp.

Thanking you once again

Sincerely
