Minutes of Meeting — Curriculum Planning and Competency Based Training

Date: 25.01.2019

- All the Faculty members are advised to prepare standard operating guidelines in their respective teaching areas
- The guidelines were received from the E- learning internal assessment committee, student committee and basic science departments. All these were discussed in the meeting
- The guidelines for faculty time, maintenance, was asked to be prepared at the earliest.
- The E-Platform was initiated and titled as "Annoor Initiative for Curriculum Excellence - The Superlative learning premiere platform
- The Platform and the webpage have been created based on the discussion in the previous meeting.
- The faculty members have been requested to upload their e- contents like power-points and videos to the webpage.
- The interdisciplinary activity, inter-department meeting, seminars and webinars were to be recorded in specific labelled logbooks.
- The faculty were instructed to give inputs and orientation lectures for improving competency-based learning.
- The exam cell committee and the academic cell committee were entrusted with the duty of multiplication of internal assessment marks
- The minutes of the meeting and any changes subject to the curriculum planning committee were to be immediately mailed to principal.annoor@gmail.com.

Minutes of Meeting —Curriculum Planning andCompetency BasedTraining

Date:-06.06. 2018

The meeting was held in the Principal's Chamber at 01.30 pm. The short term and long-term goals of teaching and *learning process* werediscussed

Short Term Goals

- The short-term goals included any targets to be met in 3-6months
- Monitoring committee was given the duty to monitor the lecture and the topic content of the faculty taking thelectures
- Strategic plan was made during the meeting to create a page for delivery of E-content. A platform has to be initiated for the younger ones as an E-classroom for referrals for all subjects on an E-platform
- The E-learning assessment committee to be created
- Group discussions with faculty members were to beencouraged
- Identification of weaker students to be done by one-on-oneinteraction with the respective staffmembers
- The student attendance was also to be monitored and any shortage in attendance is to be reported to the head of the department and remedial measures are to be taken by conducting extra classes

The long termgoals

- These goals were set for a period of two years.
