## Annual Gender Sensitization Plan

Annoor Dental College and Hospital provide equal opportunities and resources for female faculties in all arenas they are involved. There is also adequate evidence in development literature, which demonstrates that gender equality is about increased productivity, improved development outcomes for the next generation, and making institutions more representative. Yearly programs are being conducted in our college to sensitize the gender equality.

Women's day celebration, women's outing, self defense programme, menstrual hygiene awareness program, Onam celebration and world oral health day celebration are usual programs planned for a year.

Additional programs are planned as and when time demands
